Aryaman Financial Services Limited

32nd Annual Report

COMPANY OVERVIEW AND VISION

Aryaman Financial Services Limited (AFSL) is a SEBI-registered Category I Merchant Banker with a distinguished track record of over a decade in the merchant banking industry. The Company provides a comprehensive suite of financial advisory and capital market services, with expertise spanning capital markets, corporate finance, corporate restructuring, and strategic advisory.

AFSL is engaged in the lead management and syndication of a wide range of capital-raising transactions, including Initial Public Offerings (IPOs), Follow-on Public Offers (FPOs), Rights Issues, Composite Issues, Qualified Institutions Placements (QIPs), preferential issues, and other forms of equity fundraising. The Company has built a strong reputation for delivering efficient execution, regulatory excellence, and customized financial solutions that cater to the evolving needs of its clients.

Since its inception, AFSL has remained committed to providing end-to-end financial and capital market solutions to businesses across India, supporting enterprises through every stage of their growth journey.

A pioneer in the SME and Start-up IPO ecosystem, AFSL was the first merchant banker in India to successfully launch SME and Start-up IPOs. Over the years, the Company has established itself as a market leader in this segment through its deep domain expertise, strong execution capabilities, and unwavering commitment to client success.

AFSL has further strengthened its market presence through its diversified group structure. Its wholly owned subsidiary, Aryaman Capital Markets Limited (ACML), delivers comprehensive capital market and stockbroking services, while Escorp Asset Management Limited (EAML) provides specialized portfolio and asset management solutions. The Group has also expanded into the non-banking financial services sector through Aryaman Finance (India) Limited (AFIL), an RBI-registered Base Layer Non-Banking Financial Company (NBFC). Together, these entities create an integrated financial services platform, enabling the Group to offer holistic solutions across the capital markets and financial services value chain while enhancing operational synergies, client reach, and long-term growth potential.

DIVERSE AND EXPANDING CLIENT BASE

The Company's client portfolio is well diversified across a broad spectrum of industries, reflecting its ability to serve businesses operating in both established and emerging sectors of the Indian economy. This diversified presence underscore our sectoral expertise, strong execution capabilities, and commitment to delivering tailored financial solutions across varied business landscapes.

The SME IPO market witnessed broad-based participation from enterprises across India during the year, with issuances originating from 21 cities. Mumbai continued to be the dominant center, followed by New Delhi, Hyderabad, Ahmedabad, and Nashik. The geographical diversity of issuers reflects the expanding reach of the SME capital market and growing confidence among businesses nationwide in leveraging public markets to support their growth and capital requirements.

The SME IPO market witnessed healthy participation across a broad spectrum of industries during the year, highlighting the increasing adoption of capital markets by businesses from diverse sectors. The Banking & Finance sector led the market with 12 SME IPOs, followed by Plastic & Polymer and Textiles with 7 IPOs each, while Real Estate, Chemical, and Steel also recorded notable activity. This sectoral diversity reflects the widening acceptance of the SME platform as an effective avenue for raising growth capital across multiple industries.

Our well-balanced sectoral mix not only reduces concentration risk but also enables us to capitalize on opportunities across different phases of the economic cycle. This diversified client base reinforces Aryaman Financial Services Limited's position as a trusted financial partner, capable of delivering strategic capital market and advisory solutions to businesses across the Indian corporate landscape.

OUR GROUP COMPANIES

Aryaman Capital Markets Limited (ACML)

Aryaman Capital Markets Limited (ACML), a subsidiary of Aryaman Financial Services Limited (AFSL), serves as the Group's capital markets arm and undertakes a wide range of fund-based and secondary market activities. Its operations include proprietary trading and investments in listed and unlisted securities, underwriting of capital market issuances, market making, and depository participant (DP) services.

A key area of focus for ACML is market making for companies listed on the SME Exchanges in India. As AFSL is a leading merchant banker in the SME IPO segment, ACML plays a critical role in fulfilling the market-making obligations prescribed under the SEBI (Issue of Capital and Disclosure Requirements) Regulations, 2018. Through its dedicated market-making activities, ACML enhances liquidity, supports efficient price discovery, and contributes to the stability and orderly functioning of the SME capital market ecosystem.

Escorp Asset Management Limited (EAML)

Escorp Asset Management Limited (EAML), a subsidiary of AFSL, is a SEBI-registered Portfolio Manager offering customized Portfolio Management Services (PMS) to High Net Worth Individuals (HNIs), corporate clients, family offices, and other sophisticated investors.

EAML provides professionally managed investment solutions tailored to each client's investment objectives, risk appetite, and financial goals. Its portfolios are strategically diversified across equities, fixed income instruments, mutual funds, and other securities. Backed by experienced investment professionals and a disciplined investment philosophy, EAML focuses on generating sustainable long-term wealth while maintaining prudent risk management.

Aryaman Finance (India) Limited (AFIL)

Aryaman Finance (India) Limited (AFIL), incorporated on January 31, 2025, is a wholly owned subsidiary of AFSL and an RBI-registered Base Layer Non-Banking Financial Company (NBFC).

Established to expand the Group's financial services platform, AFIL is engaged in the business of providing a broad range of financing solutions. The Company proposes to offer business finance and personal finance across short-, medium-, and long-term tenures to corporate and individual borrowers. It also intends to participate in consortium financing arrangements with banks, financial institutions, and other lending entities, thereby strengthening the Group's capabilities across the lending and structured finance ecosystem.

LEADERSHIP EXCELLENCE

The continued success of Aryaman Financial Services Limited is driven by a leadership team that combines strategic vision, entrepreneurial spirit, and deep domain expertise across capital markets, finance, law, and corporate strategy.

Under the guidance of our promoters, Mr. Shripal Shah and Mr. Shreyas Shah, the Company has consistently strengthened its position as a trusted financial services institution. Their leadership has been instrumental in identifying emerging opportunities, navigating evolving regulatory and market landscapes, and building a diversified financial services platform with a strong emphasis on governance, innovation, and operational excellence.

With a long-term perspective and an unwavering commitment to creating stakeholder value, they continue to foster a culture of professionalism, integrity, and client-centricity. Their combined experience and forward-looking approach have enabled the Company to achieve sustainable growth while reinforcing the confidence of clients, investors, regulators, employees, and other stakeholders.

As the Company enters its next phase of growth, this strong leadership foundation will continue to guide its strategic direction, drive innovation, and create enduring value for all stakeholders.

Aryaman Financial Services Limited 32nd Annual Report

ENHANCING CUSTOMER SATISFACTION AND LOYALTY

At Aryaman Financial Services Limited (AFSL), client satisfaction is the cornerstone of our business philosophy. We are committed to building long-term relationships founded on trust, transparency, and excellence in service. By placing our clients' interests at the heart of every engagement, we strive to deliver innovative financial solutions that create sustainable value and foster lasting loyalty.

Client-First Approach

Our business is guided by the principle of putting clients first. Every transaction is executed with the highest standards of integrity, professionalism, and ethical conduct. We believe that trust is earned through consistent performance, transparent communication, and an unwavering commitment to acting in the best interests of our clients.

Deep Sector Expertise

As pioneers in the SME IPO ecosystem in India, we possess extensive experience and a deep understanding of the unique opportunities and challenges faced by emerging enterprises. Our specialized knowledge enables us to provide strategic guidance and customized capital market solutions that support businesses throughout their growth journey.

Tailored Financial Solutions

Recognizing that every client has unique objectives, we offer customized solutions across a comprehensive range of financial services, including equity capital market transactions, mergers and acquisitions, corporate advisory, valuations, fairness opinions, certifications, and structured finance. Our client-centric approach ensures that every engagement is aligned with the client's strategic and financial goals.

Excellence Through Strong Governance

Our commitment to robust corporate governance, effective risk management, and strong internal controls forms the foundation of our service excellence. Equally important is our investment in human capital. We believe that our people are our greatest strength, and through continuous learning, professional development, and a culture of accountability, we consistently deliver high-quality advisory services that inspire client confidence.

Transparent Communication and Seamless Execution

We emphasize proactive communication and close collaboration with clients throughout every stage of a transaction. Our experienced professionals manage the entire engagement—from strategic planning, due diligence, and documentation to regulatory coordination and transaction execution—ensuring efficiency, transparency, and regulatory compliance. This comprehensive approach enables clients to navigate complex transactions with confidence while strengthening long-term relationships built on trust and reliability.

Building Long-Term Relationships

Our success is measured not only by completed transactions but also by the enduring relationships we cultivate with our clients. By consistently delivering insightful advice, responsive service, and value-driven solutions, we have earned the confidence of businesses across diverse industries. We remain committed to supporting our clients as trusted partners, helping them achieve sustainable growth and long-term success.

Aryaman Financial Services Limited

32nd Annual Report

FUTURE OUTLOOK AND STRATEGIC PRIORITIES

As India's capital markets continue to evolve, Aryaman Financial Services Limited (AFSL) remains well positioned to capitalize on emerging opportunities through its strong merchant banking franchise, diversified financial services platform, and client-centric approach. The Company will continue to focus on sustainable growth by expanding its capabilities, strengthening strategic relationships, and delivering innovative financial solutions while maintaining the highest standards of governance and regulatory compliance.

Strengthening Leadership in Capital Markets

AFSL will continue to reinforce its position as a leading SEBI-registered Category I Merchant Banker by expanding its Equity Capital Market (ECM) franchise. Leveraging its extensive experience as a Book Running Lead Manager (BRLM), the Company will continue to facilitate Initial Public Offerings (IPOs), Follow-on Public Offers (FPOs), Rights Issues, Qualified Institutions Placements (QIPs), and other capital-raising transactions, while ensuring seamless execution and full compliance with the applicable regulatory framework.

Expanding Advisory and Transaction Services

The Company aims to further strengthen its Corporate Finance and Transaction Advisory practice by providing strategic guidance on mergers and acquisitions, corporate restructuring, business valuations, and capital restructuring. Through comprehensive due diligence, transaction structuring, and execution support, AFSL will continue to assist clients in pursuing growth opportunities and creating long-term enterprise value.

Infrastructure and Project Financing

Recognizing the significant opportunities arising from India's infrastructure development, the Company intends to enhance its participation in infrastructure and project financing. By leveraging its financial expertise and strong institutional network, AFSL aims to structure innovative funding solutions while maintaining prudent risk management practices.

Diversification Through Group Synergies

The Company will continue to leverage the complementary strengths of its subsidiaries to build an integrated financial services platform. With Aryaman Capital Markets Limited strengthening capital market operations, Escorp Asset Management Limited expanding asset management capabilities, and Aryaman Finance (India) Limited broadening the Group's presence in lending and financing, AFSL is well positioned to offer comprehensive financial solutions across the investment lifecycle.

Strengthening Client Relationships

Building enduring relationships with clients will remain at the core of the Company's growth strategy. AFSL will continue to deepen client engagement by providing personalized financial solutions, maintaining the highest standards of service excellence, and delivering trusted advisory support that evolves with clients' changing business requirements.

Innovation and Operational Excellence

The Company remains committed to embracing technology, strengthening digital capabilities, and enhancing operational efficiency across its businesses. Investments in technology-driven processes, regulatory compliance systems, and talent development will further improve service delivery while enabling scalable and sustainable growth.

Forward-Looking Statement

The Company believes that its strong market position, diversified business model, disciplined risk management framework, and continued focus on innovation provide a solid foundation for long-term growth. As the financial services landscape continues to evolve, AFSL remains committed to identifying new opportunities, adapting to changing market dynamics, and delivering sustainable value for its clients, shareholders, employees, and other stakeholders.

By leveraging its merchant banking expertise, expanding its integrated financial services platform, and upholding the highest standards of governance and professionalism, the Company is confident in its ability to drive sustainable growth, strengthen stakeholder confidence, and create enduring value in the years ahead.

Aryaman Financial Services Limited 32nd Annual Report

CHAIRMAN'S MESSAGE TO SHAREHOLDERS

Dear Fellow Shareholders,

It gives me immense pleasure to welcome you to the 32nd Annual General Meeting of Aryaman Financial Services Limited. On behalf of the Board of Directors, I sincerely thank you for your continued trust, confidence, and unwavering support. Your faith in the Company has been the driving force behind our continued progress and achievements.

The financial year 2025-26 was marked by resilience, disciplined execution, and continued focus on long-term value creation. Despite evolving market conditions, the Company remained committed to delivering quality merchant banking services, strengthening client relationships, and maintaining the highest standards of governance and regulatory compliance.

On a standalone basis, the Company reported a Total Income of **₹1,751.34 lakh** as compared to **₹2,116.24 lakh** in the previous year, while Net Profit increased to **₹689.55 lakh** from **₹611.83 lakh**, reflecting improved operational efficiency and profitability. On a consolidated basis, the Profit After Tax (PAT) for FY 2025-26 stood at **Rs. 3813.57 lakhs**, as compared to **Rs. 4520.06 lakhs** in the previous year. Further, the Total Comprehensive Income for FY 2025-26 stood at **Rs. 4094.51 lakhs**, as against **Rs. 5958.87 lakhs** in the previous year. We believe this is a very robust number.

During the year, we continued to strengthen and manage our existing operations while expanding our business horizons. We obtained registration from the Reserve Bank of India (RBI) for our NBFC vertical and also received a No-Objection Certificate (NOC) from SEBI for setting up an Asset Management subsidiary in Mauritius.

Looking ahead, we remain optimistic about the opportunities presented by India's rapidly evolving financial ecosystem. We will continue to strengthen our merchant banking franchise, diversify our service offerings, leverage technology to enhance operational excellence, and deepen our relationships with clients and stakeholders. At the same time, we remain committed to maintaining the highest standards of corporate governance, transparency, and regulatory compliance.

I would like to place on record my heartfelt appreciation to our valued clients, shareholders, bankers, regulators, business associates, and all our stakeholders for their continued confidence and support. I also extend my sincere gratitude to my fellow Directors, the management team, and every member of the Aryaman family for their unwavering dedication, professionalism, and relentless pursuit of excellence.

As we embark on another year of opportunities, I am confident that our strong fundamentals, experienced leadership, and commitment to innovation will enable us to create enduring value and achieve sustainable growth for all our stakeholders.

Thank you for your continued trust and partnership.

Warm Regards,

Shripal Shah

NOTES:

1. The Ministry of Corporate Affairs ("MCA"), via its General Circular No. 09/2024 dated September 19, 2024, read together with circulars dated April 8, 2020, April 13, 2020, May 5, 2020, January 13, 2021, December 8, 2021, December 14, 2021, May 5, 2022, December 28, 2022 & September 25, 2023 (collectively referred to as "MCA Circulars"), and SEBI, via its circular no. SEBI/HO/CFD/CFD-PoD-2/P/CIR/2024/133 dated October 3, 2024 and in line with other circulars issued by the Securities and Exchange Board of India (SEBI) from time to time, has permitted companies whose AGM is due in the calendar year 2025 to conduct the same through Video Conferencing ("VC") and/or Other Audio Visual Means ("OAVM") facilities.

Given the above circulars issued by the MCA and SEBI from time to time, the Company is convening the 32nd AGM through VC/OAVM, without the physical presence of the Members. The deemed venue for the AGM will be the Registered Office of the Company.

Pursuant to the General Circular No. 09/2024 dated September 19, 2024 and General Circular No. 03/2025 dated September 22, 2025, issued by the Ministry of Corporate Affairs (MCA) and the circular issued by SEBI vide circular no. SEBI/ HO/ CFD/ CFDPoD-2/ P/ CIR/ 2024/ 133 dated October 3, 2024 ("SEBI Circular") and other applicable circulars and notifications issued (including any statutory modifications or re-enactment thereof for the time being in force and as amended from time to time, companies are allowed to hold EGM/AGM through Video Conferencing (VC) or other audio visual means (OAVM), without the physical presence of members at a common venue. In compliance with the said Circulars, EGM/AGM shall be conducted through VC / OAVM.

2. **PURSUANT TO THE PROVISIONS OF THE ACT, A MEMBER ENTITLED TO ATTEND AND VOTE AT THE AGM IS ENTITLED TO APPOINT A PROXY TO ATTEND AND VOTE ON HIS/HER BEHALF, AND THE PROXY NEED NOT BE A MEMBER OF THE COMPANY. SINCE THIS AGM IS BEING HELD PURSUANT TO THE MCA CIRCULARS THROUGH VC OR OAVM, THE REQUIREMENT OF PHYSICAL ATTENDANCE OF MEMBERS HAS BEEN DISPENSED WITH.** Accordingly, the facility for appointment of proxies by the Members will not be available for this AGM, and hence the Proxy Form, Attendance Slip, and Route Map for the AGM are not annexed to this Notice.
3. Institutional Investors who are Members of the Company are encouraged to attend and vote at the AGM through the e-voting facility. Corporate Members and Institutional Investors intending to appoint their authorised representatives pursuant to Sections 112 and 113 of the Act, as the case may be, to attend the AGM through VC or OAVM or to vote through remote e Voting are requested to send a certified copy of the Board Resolution to the Scrutinizer by email at jigar.gandhi@jngandco.in with a copy marked to evoting@nsdl.co.in.
4. The attendance of the Members attending the AGM through VC/OAVM will be counted for the purpose of reckoning the quorum under Section 103 of the Act.
5. The Members can join the AGM in the VC/OAVM mode 15 minutes before and after the scheduled time of the commencement of the Meeting by following the procedure mentioned in the Notice. The facility of participation at the AGM through VC/OAVM will be made available to at least 1000 members on a first-come, first-served basis. This will not include large Shareholders (Shareholders holding 2% or more shareholding), Promoters, Institutional Investors, Directors, Key Managerial Personnel, the Chairpersons of the Audit Committee, Nomination and Remuneration Committee, and Stakeholders Relationship Committee, Auditors, etc. who are allowed to attend the AGM without restriction on account of first come first served basis.
6. Members are requested to: (a) intimate to the Company/their Depository Participant ("DP"), changes, if any, in their registered address at an early date; (b) quote their Registered Folio No. And/or DP Identity and Client Identity number in their correspondence.
7. In accordance with the MCA Circulars and SEBI Circulars, the Notice of the AGM along with the Annual Report 2025-26 is being sent by electronic mode to those Members whose e-mail addresses are registered with the Company/Depositories, unless any Member has requested for a physical copy of the same by writing to feedback@afsl.co.in mentioning their Folio No. /DP ID and Client ID. The Notice convening the 32nd AGM has been uploaded on the website of the Company at <https://www.afsl.co.in/> and may also be accessed from the relevant section

of the websites of the stock exchanges, i.e., BSE Limited (BSE) at www.bseindia.com. The Notice is also available on the website of NSDL at www.evoting.nsdl.com.

Members are requested to intimate changes, if any, pertaining to their name, postal address, email address, telephone/mobile numbers, Permanent Account Number (PAN), nominations, power of attorney, bank details such as, name of the bank and branch details, bank account number, MICR code, IFSC code, etc., to their DPs in case the shares are held in electronic form and to AFSL, through Form ISR-1/ISR-2, as applicable, along with necessary supporting documents, either by emailing e-signed copies to feedback@afsl.co.in or sending physical copies by post/ delivery to the offices of AFSL. Further, Members may note that SEBI has mandated the submission of PAN by every participant in the securities market.

To prevent fraudulent transactions, Members are advised to exercise due diligence and notify the Company of any change in address or demise of any Member as soon as possible. Members are also advised not to leave their demat account(s) dormant for long. A periodic statement of holdings should be obtained from the concerned DP, and holdings should be verified from time to time.

Non-resident Indian members are requested to inform the RTA, Adroit Corporate Services Private Limited situated at 18-20, 1st floor, Plot No. 639, Makhwana Road, Marol, Andheri (East), Mumbai-400 059 immediately about:

- a. Change in their residential status on return to India for permanent settlement
 - b. Particulars of their bank account maintained in India with complete name, branch, account type, account number, and address of the bank with pin code number, if not furnished earlier.
8. In case of joint holders, the Member whose name appears as the first holder in the order of names as per the Register of Members of the Company will be entitled to vote during the AGM.
 9. In compliance Pursuant to the provisions of Section 108 of the Companies Act, 2013 read with Rule 20 of the Companies (Management and Administration) Rules, 2014 (as amended) the Secretarial Standard on General Meetings (SS-2) issued by the ICSI and Regulation 44 of SEBI (Listing Obligations & Disclosure Requirements) Regulations 2015 (as amended), and the Circulars issued by the Ministry of Corporate Affairs from time to time the Company is providing facility of remote e-Voting to its Members in respect of the business to be transacted at the AGM. For this purpose, the Company has agreement with National Securities Depository Limited (NSDL) for facilitating voting through electronic means, as the authorized agency. The facility of casting votes by a member using the remote e-Voting system, as well as e-voting on the date of the AGM, will be provided by NSDL.
 10. AGM has been convened through VC/OAVM in compliance with applicable provisions of the Companies Act, 2013, read with MCA Circular issued from time to time
 11. Pursuant to MCA Circular No. 14/2020 dated April 08, 2020, the facility to appoint a proxy to attend and cast a vote for the members is not available for this AGM. However, in pursuance of Section 112 and Section 113 of the Companies Act, 2013, representatives of the members, such as the President of India or the Governor of a State or body corporate, can attend the AGM through VC/OAVM and cast their votes through e-voting.
 12. Corporate members (other than individuals, HUF, NRI, etc.) are required to send a scanned copy (PDF/JPG format) of their Board or governing body resolution/authorisation to attend AGM through VC / OAVM on its behalf and to vote through remote e-voting. The said resolution/authorisation shall be sent to the Scrutinizer by e-mail through its registered e-mail address to jigar.gandhi@jngandco.in with a copy marked to evoting@nsdl.com.
 13. The statutory documents of the Company and/or the documents referred to in this Notice will also be available for electronic inspection without any fee by the members from the date of circulation of this Notice up to the date of AGM, i.e., Friday, 11 September, 2026. Members seeking to inspect can send an email to feedback@afsl.co.in
 14. Members holding shares in demat mode, who have not registered their email addresses, are requested to register their email addresses with their respective depository participants, and members holding shares in physical mode are requested to update their email addresses with the Company's RTA to receive all communication (including Annual Report) in electronic mode.

15. SEBI has mandated the submission of PAN by every participant in the securities market. Members holding shares in electronic form are, therefore, requested to submit their PAN to their depository participant(s). Members holding shares in physical form are required to submit their PAN details to the Company's RTA.
16. Members holding shares in physical form, in identical order of names, in more than one folio, are requested to send to the Company's RTA the details of such folios together with the share certificates and a self-attested copy of PAN card and Aadhar card for consolidating their holdings in one folio. A consolidated share certificate will be issued to such Members after making the requisite changes.
17. Pursuant to Section 72 of the Companies Act, 2013, members holding shares in physical form may file a nomination in the prescribed Form SH-13 and for cancellation/variation in nomination in the prescribed Form SH-14 with the Company's RTA. In respect of shares held in demat form, the nomination form may be filed with the respective Depository Participant.
18. The Register of Members and Share Transfer Books of the Company will remain closed from **Friday, 4 September, 2026 to Thursday, 10 September, 2026**.
19. SEBI has established a common Online Dispute Resolution Portal (ODR Portal) for the resolution of disputes arising in the Indian Securities Market. Pursuant to this, post exhausting the option to resolve their grievances with the RTA/Company directly and through the existing SCORES platform, the investors can initiate dispute resolution through the ODR Portal: <https://smartodr.in/> login, and the same can also be accessed through the Company's Website at www.afsl.co.in.

A. Voting through electronic means

1. In compliance with provisions of Section 108 of the Companies Act, 2013, Rule 20 of the Companies (Management and Administration) Rules, 2014 as amended by the Companies (Management and Administration) Amendment Rules, 2015 and Regulation 44 of the Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations 2015 (Listing Regulations), the Company is pleased to provide members facility to exercise their right to vote on resolutions proposed to be considered at Annual General Meeting by electronic means and the business may be transacted through e-Voting Services. EXPLANATORY STATEMENT PURSUANT TO SECTION 102(1) OF THE COMPANIES ACT, 2013.

ITEM NO. 3:

Pursuant to the provisions of Section 188 of the Companies Act, 2013 read with the Companies (Meetings of Board and its Powers) Rules, 2014, the Related Party Transactions as mentioned in clause (a) to (g) of the said section requires a Company to obtain approval of the Board of Directors and subsequently the Shareholders of the Company by way of ordinary resolution in case the value of the Related Party Transactions exceed the stipulated thresholds prescribed in Rule 15 of the said Rules and transactions other than in ordinary course of business and on arm's length basis.

Regulation 23 (4) of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 (the 'Listing Regulations') provides that all material related party transactions and subsequent material modifications as defined by the audit committee under sub-regulation (2) shall require prior approval of the shareholders by means of an Ordinary Resolution, even if such transaction(s) are in ordinary course of business and at arm's length basis. Further, the Explanation to Regulation 23 (1) provides that a transaction with a related party shall be considered material if the transaction(s) to be entered into individually or taken together with previous transactions during the financial year, exceeds ₹ 1000 crores or exceeds 10% (ten percent) of the annual consolidated turnover of the Company as per the last audited financial statements of the Company, whichever is lower.

The proviso to Section 188 (1) also states that nothing in Section 188 (1) will apply to any transaction entered into with a related party by the Company in its ordinary course of business and on arm's length basis.

Accordingly, the related party transactions based on the provisions of Section 188 of the Act and rules made thereunder and Regulation 23 of the Listing Regulations, the Audit Committee and the Board of Directors of the Company have approved the proposed transactions detailed in the resolution at Item No. 3 of the accompanying notice. The said related party transactions are placed before the shareholders for their approval by way of ordinary resolution to enable the Company / Subsidiary Company to enter into the following Related Party Transactions in one or more tranches. The transactions under consideration are proposed to be entered into by the Company / Subsidiary Company with the following related parties in the ordinary course of business and on an arm's length basis.

The relevant information pertaining to transactions as required under Rule 15 of Companies (Meetings of Board and its Powers) Rules, 2014 and as amended SEBI/HO/CFD/PoD2/CIR/P/0155, dated 11 November 2024, read with are set out below;

The details of which are given in the Corporate Governance Report annexed to this Report as “*Annexure VI*”, which forms part of this report. The intervening gap between the Meetings was within the period prescribed under the Companies Act, 2013.

18. BOARD EVALUATION:

Our Board has devised an Evaluation Policy for evaluating the performance of the Board, its Committees, Executive Directors, and Independent Directors. Based on the same, the performance was evaluated for the financial year ended March 31, 2026. As part of the evaluation process, the performance of Non- Independent Directors, the Chairman, and the Board was conducted by the Independent Directors. The performance evaluation of the respective Committees and that of Independent and Non- Independent Directors was done by the Board, excluding the Director being evaluated.

The policy inter alia provides the criteria for performance evaluation, such as Board effectiveness, quality of discussion, contribution at the meetings, business acumen, strategic thinking, time commitment, and relationship with the stakeholders, corporate governance practices, contribution of the committees to the Board in discharging its functions, etc.

The Board carried out a formal annual evaluation of its own performance and that of its committees, viz., the Audit Committee, Stakeholders’ Relationship Committee, and Nomination and Remuneration Committee (“**NRC**”). The Board also carried out the performance evaluation of all the individual directors, including the Chairman of the Company. Additionally, NRC also carried out the evaluation of the performance of all the individual directors and the Chairman of the Company. The performance evaluation was carried out by way of obtaining feedback from the Directors through a structured questionnaire prepared in accordance with the policy adopted by the Board and after taking into consideration the Guidance Note on Board Evaluation issued by the Securities and Exchange Board of India.

The feedback received from the Directors through the above questionnaire was reviewed by the Chairman of the Board and the Chairman of the NRC, and then discussed the same at the meetings of the Board and NRC, respectively. The performance evaluation of the Chairman, Whole Time Director, and the Board as a whole was carried out by the Independent Directors at their separate meeting.

19. CORPORATE SOCIAL RESPONSIBILITY

The Company considers Corporate Social Responsibility (“**CSR**”) as a process by which an organization thinks about and evolves its relationships with stakeholders for the common good, and demonstrates its commitment in this regard.

REMUNERATION POLICY

A. Introduction

The Nomination and Remuneration Policy (“**Policy**”) of Aryaman Financial Services Limited (“**Company**” / “**AFSL**”) is formulated under the requirements of the Section 178 (3) Companies Act, 2013 and the rules formulated thereunder, as amended (“**Act**”) and Regulation 19 of the Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015, as amended (“**SEBI (LODR) Regulations**”).

This Policy is intended to conform to the Act as of the date of its adoption. However, if due to subsequent modifications in the Act, and the Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015, as amended (“**SEBI (LODR) Regulations**”) or any other applicable law, a provision of this Policy or any part thereof becomes inconsistent with the Act, or the SEBI (LODR) Regulations, the provisions of the Act, or the SEBI (LODR) Regulations as modified shall prevail.

This policy shall serve as a framework for establishing, among other things, the qualifications, key attributes, and independence criteria of Directors (*as defined herein*), as well as for addressing matters concerning the remuneration, appointment, removal, and performance evaluation of Directors, Key Managerial Personnel (KMPs, *as defined herein*), Senior Management Personnel (*as defined herein*), and other employees.

B. Objective of the Policy

The Policy is framed with the following objective(s):

- i. To ensure that the level and structure of remuneration is adequate and appropriate to attract, retain, and motivate directors with the expertise and capability necessary for the successful management of the Company.
- ii. To establish a clear linkage between remuneration and performance, aligned with relevant performance benchmarks.
- iii. To strike a balance in the remuneration structure of Directors, Key Managerial Personnel (KMPs), and Senior Management Personnel between fixed pay and incentive-based components, reflecting both short-term and long-term performance goals consistent with the Company's operations and strategic objectives.
- iv. To define criteria, terms, and conditions for identifying candidates suitable for appointment as Directors, KMPs, and Senior Management Personnel, and to determine their remuneration accordingly.
- v. To set remuneration levels based on the Company's scale, financial condition, and prevailing industry trends and practices, including benchmarking against peer organizations.
- vi. To ensure that financial and operational performance over the past three years is factored into remuneration determinations.
- vii. To maintain proportionality in remuneration structures, ensuring fairness and equity across roles.
- viii. To consider the shareholding details of Directors, including securities held, options granted, and pledged shares as of the end of the preceding financial year when determining remuneration.
- ix. To evaluate the performance of Directors, KMPs, and Senior Management Personnel, and to establish reward mechanisms tied directly to their effort, performance, dedication, and contributions to the Company's success.
- x. To retain, motivate, and promote talent and to ensure long-term sustainability of talented managerial persons and create a competitive advantage.

In alignment with these objectives, this Policy has been developed by the Nomination and Remuneration Committee ("NRC") and subsequently approved by the Board of Directors.

MANAGEMENT DISCUSSION AND ANALYSIS REPORT

Aryaman Financial Services Limited ("AFSL" or "the Company") is a SEBI-registered Category I Merchant Banker with over a decade of experience in providing integrated merchant banking and financial advisory services. The Company offers a comprehensive range of capital market and corporate finance solutions, catering to the diverse funding and strategic requirements of corporate clients across India.

The Company is primarily engaged in lead management and syndication of public issues, including Initial Public Offerings (IPOs), Follow-on Public Offers (FPOs), Rights Issues, Qualified Institutional Placements (QIPs), Preferential Issues, Private Investment in Public Equity (PIPE) transactions, venture capital funding, and other capital raising assignments. AFSL also provides advisory services in corporate restructuring, mergers and acquisitions (M&A), open offers, buybacks, delisting offers, valuation, ESOP certifications, fairness opinions, and other strategic corporate finance assignments.

The Company has established a strong presence in the SME capital market segment, assisting emerging enterprises in accessing public capital through the SME platforms of BSE Limited and NSE Limited. By enabling SMEs to raise equity capital in a regulated environment, AFSL continues to contribute towards the growth of India's entrepreneurial ecosystem while creating value for investors and stakeholders.

During the financial year 2025-26, the Company successfully managed and completed several capital market transactions across both the SME and Main Board segments. The Company remains focused on delivering efficient execution, regulatory compliance, and value-added advisory services, thereby strengthening its position as a trusted merchant banker.

Pursuant to the regulatory framework approved by SEBI for the categorization of Merchant Bankers, the Company continues to be registered as a Category I Merchant Banker. This enhanced capital base reinforces the Company's capability to undertake a wider spectrum of merchant banking assignments, including lead management for Main Board public issues.

The Company generates its principal revenue from merchant banking and advisory services. In addition, through its subsidiary and group companies, it offers complementary financial services, including stock and commodity broking, enabling clients to benefit from an integrated financial services platform.

INDUSTRY OUTLOOK

The Economic Survey 2025-26 highlights the financial services sector as a key driver of India's sustainable economic growth and resilience. While the Indian economy continues to demonstrate strong macroeconomic fundamentals, including stable growth, moderating inflation, and healthy corporate and banking sector balance sheets, the Survey also underscores the need for prudent capital allocation and disciplined risk management in an increasingly uncertain global environment.

The Survey notes that India continues to rely on foreign capital to support investment and economic expansion, making efficient financial intermediation critical. As a result, financial institutions are expected to focus on quality-led growth through stronger credit appraisal, prudent underwriting, co-lending arrangements, credit enhancement mechanisms, and innovative financing structures rather than relying solely on balance sheet expansion.

The evolving monetary and regulatory landscape further reinforces the importance of maintaining robust asset quality, adequate provisioning, and effective risk management practices. Institutions with sound governance frameworks, disciplined lending standards, and strong capital positions will be better placed to navigate economic cycles and deliver sustainable long-term growth.

Global economic uncertainties, including geopolitical developments, trade disruptions, and capital flow volatility, continue to pose challenges to financial markets. The Survey highlights the importance of strengthening domestic financial capacity through deeper capital markets, enhanced participation by domestic institutional investors, and expansion of long-term savings channels such as insurance, pension, and mutual fund investments. These measures are expected to improve financial stability while reducing dependence on external capital.

The increasing adoption of Digital Public Infrastructure (DPI) continues to transform India's financial ecosystem by enabling seamless digital payments, customer onboarding, credit delivery, and data sharing. At the same time, the growing use of artificial intelligence and advanced technologies presents significant opportunities to enhance operational efficiency, improve customer experience, strengthen fraud prevention, and support data-driven decision-making. However, these advancements also require robust cybersecurity, governance frameworks, regulatory compliance, and responsible deployment of emerging technologies.

Overall, the Economic Survey 2025-26 envisages a financial sector that is resilient, technology-driven, and well-governed, with a greater focus on efficient capital allocation, financial stability, and long-term value creation. The evolving regulatory framework, supported by innovation and sound risk management, is expected to strengthen the sector's ability to contribute meaningfully to India's long-term economic growth.

DEVELOPMENTS IN THE INDUSTRY:

India's primary capital market remained resilient during the first nine months of FY 2025-26 despite global economic uncertainty and geopolitical challenges. Strong corporate fundamentals, favourable sectoral opportunities, robust domestic liquidity, and sustained investor participation continued to support healthy activity in the IPO market.

During the period, 94 companies collectively raised approximately ₹1.6 trillion through Main Board IPOs, broadly matching the record fundraising levels achieved in FY 2024-25 and significantly exceeding those of FY 2023-24. While the average issue size moderated with the increasing participation of mid-sized companies, the overall pace of capital raising remained strong.

Investor participation continued to be driven by domestic institutional investors, mutual funds, insurance companies, and a growing retail investor base. The depth of domestic liquidity enabled the market to absorb new issuances even during periods of heightened volatility.

The IPO market also witnessed a notable shift in investor preferences. Investors adopted a more selective approach, placing greater emphasis on reasonable valuations, sustainable earnings, sound corporate governance, healthy balance sheets, and clearly defined utilisation of proceeds. Consequently, well-managed companies with credible growth strategies continued to attract strong demand, while aggressively priced offerings received a more measured response.

Although Offers for Sale (OFS) continued to account for a significant portion of IPO proceeds, the share of fresh issue capital increased compared with the previous year. Issuers increasingly utilised funds for debt reduction, capacity expansion, capital expenditure, and working capital requirements, reflecting a greater focus on business growth and long-term value creation. This trend reinforces investor preference for capital raising that supports sustainable expansion and strengthens corporate fundamentals.

INDIAN CAPITAL MARKETS

Despite persistent volatility across global financial markets, the Indian primary capital market has continued to demonstrate remarkable resilience. The Initial Public Offering (IPO) market remains one of the strongest segments of the capital markets ecosystem, with a healthy pipeline of companies seeking to raise capital for business expansion, debt reduction, and shareholder monetisation.

Over the past five years, IPO activity in India has witnessed consistent growth, with the momentum continuing into 2026. A steady stream of public offerings across both the Main Board and SME platforms reflects strong entrepreneurial activity, favourable domestic liquidity, and sustained investor participation. As one issue closes, several new offerings continue to enter the market, underscoring the depth and maturity of India's capital markets.

A notable structural shift has been the increasing prominence of the SME segment. While Main Board IPOs accounted for the majority of listings in earlier years, SME IPOs have emerged as a significant contributor to overall market activity, reflecting improved access to capital for emerging businesses and growing investor interest in high-growth enterprises.

Although IPO issuance has remained robust, investor behaviour has become increasingly selective. Unlike previous years, when listing gains were the primary driver of investor enthusiasm, market participants are now placing greater emphasis on business fundamentals, valuation, profitability, corporate governance, and the effective utilisation of issue proceeds. Consequently, listing gains have moderated compared to the exceptional performance witnessed during 2024.

The moderation in post-listing returns during 2025 and early 2026 reflects a more balanced and sustainable market environment. Regulatory measures introduced by SEBI, together with a more cautious investor approach, have contributed to improved price discovery and more rational valuations. Companies with strong fundamentals, transparent governance practices, and credible growth strategies continue to attract healthy investor demand, while aggressively priced issues have received a relatively measured response.

Overall, the Indian IPO market continues to exhibit strong long-term potential, supported by expanding domestic participation, increasing depth of capital markets, and a robust pipeline of companies seeking public capital. The evolving market environment is expected to encourage quality issuances, strengthen investor confidence, and promote sustainable growth in the primary market.

OPPORTUNITIES AND THREATS OF A MERCHANT BANKER

Opportunities:

1. Continued Government initiatives promoting entrepreneurship, ease of doing business, and startup growth.
2. Increasing adoption of SME exchanges, enabling greater access to capital for small and medium enterprises.
3. Rising private equity and venture capital investments, creating opportunities in IPOs, mergers & acquisitions, and corporate advisory.
4. Sustained growth in India's capital markets, supporting higher demand for merchant banking and investment banking services.
5. Growing requirement for valuation, fairness opinions, and transaction advisory services across corporate transactions.
6. Positive long-term economic outlook and expanding corporate investment, creating opportunities across financial services.
7. Strong domestic institutional and retail participation in equity markets through mutual funds and direct investments.
8. Increasing retail investor participation in the primary market, supporting growth in IPO-related activities.

Threats:

1. Volatility in capital markets arising from interest rate movements, geopolitical developments, macroeconomic conditions, regulatory changes, and domestic political events.
2. Intense competition within the merchant banking and financial services industry, resulting in pricing pressure on fees and commissions.
3. Unfavourable market conditions affecting capital raising activities, mergers & acquisitions, and overall transaction volumes.
4. Regulatory changes and evolving compliance requirements that may increase operational costs and execution timelines.
5. Dependence on favourable capital market conditions for successful execution of public issues and fundraising mandates.
6. Increasing competition from established domestic and global investment banks, particularly in institutional and investment banking businesses.

INTERNAL CONTROL SYSTEM AND ITS ADEQUACY:

The Company has implemented a comprehensive internal control framework that is commensurate with the size, nature, and complexity of its operations. These controls are designed to safeguard the Company's assets, ensure the accuracy and reliability of financial and operational information, enhance operational efficiency, and ensure compliance with applicable laws, regulations, and internal policies.

The internal control environment is supported by well-defined policies, standard operating procedures, delegated authority levels, and robust approval mechanisms for key business and financial transactions. Periodic internal audits are carried out to evaluate the effectiveness of the control framework, identify areas for improvement, and ensure timely implementation of corrective actions.

The Audit Committee of the Board, chaired by a Non-Executive Independent Director, provides oversight of the Company's internal control systems. The Committee regularly reviews internal audit reports, assesses the adequacy of internal controls, monitors compliance with statutory and regulatory requirements, and ensures that significant audit observations are appropriately addressed by the management.

The Company periodically reviews and strengthens its internal control systems to align with evolving business requirements, regulatory developments, and industry best practices. This continuous review process reinforces a strong governance framework and supports effective risk management across the organization.

ANALYSIS OF FINANCIAL PERFORMANCE / DISCUSSION OF FINANCIAL PERFORMANCE WITH RESPECT TO OPERATIONAL PERFORMANCE:

We are pleased to report a significant improvement in our financial performance, driven by a combination of favorable market conditions and several key assignments in Merchant Banking. **The following summary highlights our financial results for the past two years:**

Standalone and Consolidated Financial Performance:

Particulars	Consolidated		Standalone	
	31-Mar-2026	31-Mar-2025	31-Mar-2026	31-Mar-2025
Total Income	8,440.58	11809.60	1,751.34	2116.24
Profit after Tax	3,813.58	4520.07	689.55	611.83

OVERALL PERFORMANCE

The Company reported a stable financial and operating performance for the financial year 2025-26 despite a dynamic business environment. On a standalone basis, the Company recorded a total income of ₹1,751.34 lakhs as compared to ₹2,116.24 lakhs in the previous year. However, profit after tax increased by 12.70% to ₹689.55 lakhs from ₹611.83 lakhs in FY 2024-25, reflecting improved operational efficiency, prudent cost management, and disciplined execution of business strategies. On a consolidated basis, the Company reported a total income of ₹8,440.58 lakhs and a profit after tax of ₹3,813.58 lakhs during the year. The Company's resilient business model, strong governance practices, and continued focus on operational excellence enabled it to maintain healthy profitability while creating sustainable value for its stakeholders.

FUTURE OUTLOOK

As the Company enters FY 2026-27, the outlook for India's capital markets remains positive, supported by strong domestic economic fundamentals, increasing investor participation, and a robust pipeline of companies seeking access to public capital. While global uncertainties arising from geopolitical developments, trade policies, interest rate movements, and capital flow volatility may continue to influence market sentiment, India's resilient economy and well-regulated financial markets are expected to provide a stable foundation for long-term growth.

The IPO market is expected to witness a more balanced and mature phase, with greater emphasis on reasonable valuations, sound corporate governance, efficient capital allocation, and sustainable business models. Investors are increasingly focusing on the quality of issuers, utilisation of proceeds, and long-term value creation rather than short-term listing gains.

The Company remains optimistic about the opportunities in the merchant banking sector and is well positioned to leverage its experience, strong client relationships, and execution capabilities to support businesses in their capital-raising and strategic advisory requirements. With a continued focus on regulatory compliance, operational excellence, and client-centric solutions, the Company aims to strengthen its market position and deliver sustainable value to all its stakeholders.

RISKS AND CONCERN:

The financial services industry operates in an environment characterized by rapidly evolving market conditions, regulatory developments, technological advancements, and global economic uncertainties. The Company recognises that effective risk management is fundamental to achieving sustainable growth and protecting stakeholder value. Accordingly, it has established a robust risk management framework to identify, assess, monitor, and mitigate risks that could impact its strategic objectives and business operations.

The Company's risk management approach is embedded across all business functions and is supported by strong internal controls, governance practices, and regular oversight by the Board of Directors and its Committees. The framework is periodically reviewed to ensure its continued effectiveness in an evolving business and regulatory environment.

MARKET AND BUSINESS RISK:

The Company's performance is influenced by conditions prevailing in the capital markets, investor sentiment, liquidity, and the level of primary market activity. Fluctuations in interest rates, inflation, geopolitical developments, and global economic conditions may impact fundraising activities and overall market participation. The Company mitigates these risks through business diversification, prudent operational planning, and a client-focused approach.

REGULATORY AND COMPLIANCE RISK:

As a SEBI-registered Category I Merchant Banker, the Company operates within a comprehensive regulatory framework. Changes in laws, regulations, and compliance requirements may affect business operations. The Company maintains a strong compliance culture, supported by well-defined policies, periodic reviews, employee training, and continuous monitoring to ensure adherence to applicable regulatory requirements.

TECHNOLOGY AND CYBERSECURITY RISK:

The increasing reliance on digital platforms and technology exposes financial institutions to cybersecurity threats, data breaches, and operational disruptions. The Company continues to strengthen its information technology infrastructure, cybersecurity controls, business continuity arrangements, and data protection measures to safeguard critical information and ensure uninterrupted operations.

OPERATIONAL RISK:

Operational risks may arise from process failures, human error, system disruptions, or external events. The Company has implemented comprehensive internal controls, standard operating procedures, segregation of duties, and periodic internal audits to minimise operational risks and enhance process efficiency.

HUMAN CAPITAL RISK:

The Company's success depends on attracting, developing, and retaining skilled professionals. To address talent-related risks, the Company focuses on employee engagement, continuous learning, leadership development, performance-based rewards, and a positive work environment that encourages innovation and professional growth.

The Company remains committed to proactively managing risks through a strong governance framework, disciplined business practices, and continuous improvement of its risk management processes. This enables the Company to respond effectively to emerging challenges while pursuing sustainable long-term growth opportunities.

RISK MANAGEMENT:

The Board of Directors provides overall oversight of the Company's risk management framework and periodically reviews key strategic, financial, operational, and regulatory risks. The Company has established a structured process to identify, assess, monitor, and mitigate risks that may affect its business objectives. Robust internal controls, well-defined policies, and regular internal audits support effective risk management and regulatory compliance. The Audit Committee periodically reviews the adequacy of internal controls, audit findings, and the implementation of corrective actions. Through continuous monitoring and periodic review, the Company strives to maintain a strong governance framework and effectively manage emerging risks.

INDEPENDENT AUDITOR'S REPORT (STANDALONE)

To
The members of
ARYAMAN FINANCIAL SERVICES LIMITED

Report on the Audit of Standalone Financial Statements

Opinion

We have audited the accompanying standalone financial statements of **ARYAMAN FINANCIAL SERVICES LIMITED** ("the Company"), which comprise the balance sheet as at 31st March 2026, the statement of profit and loss (including other comprehensive income), statement of changes in equity and the statement of cash flows for the year then ended, and notes to the standalone financial statements, including a summary of significant accounting policies and other explanatory information.

In our opinion and to the best of our information and explanations given to us, the aforesaid standalone financial statements give the information required by the Companies Act, 2013 ("the Act") in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India of the state of affairs of the Company as at 31st March, 2026, and the **net profit** (including other comprehensive income), changes in equity and its cash flows for the year ended on that date.

Basis for Opinion

We conducted our audit in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Act. Our responsibilities under those standards are further described in the 'Auditor's Responsibilities for the Audit of the Standalone Financial Statements' section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India (ICAI) together with ethical requirements that are relevant to our audit of the standalone financial statements under the provisions of the Act and the rules thereunder, and we have fulfilled our ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidences we have obtained are sufficient and appropriate to provide a basis for our opinion.

Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the standalone financial statements of the current period. These matters were addressed in the context of our audit of the standalone financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters. We have determined the matters described hereunder to be key audit matters to be communicated in our report.

Key audit matters	Auditor's response
Measurement of Revenue As per Ind AS 115, measurement of revenue to be made on transaction price.	Our audit procedure inter- alia included the following- •We used assessment of overall control environment relevant for measurement of revenue. •We performed testing of journal entries, with particular focus on manual adjustment to revenue account, to mitigate the risk of manipulation of revenue and profit figures.

Information other than the Standalone Financial Statements and Auditor's Report thereon

The Company's Board of Directors is responsible for the preparation of the other information. The other information comprises the information included in the Management Discussion and Analysis, Board's Report including Annexure to Board's Report, Business Responsibility Report, Corporate Governance and Shareholder's Information, but does not include the standalone financial statements and the auditor's report thereon.

Our opinion on the standalone financial statement does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the standalone financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the standalone financial statements or our knowledge obtained during the course of our audit or otherwise appears to be materially misstated.

If, based on the work we have performed, we conclude that there is a material misstatement of this other information; we are required to report that fact. We have nothing to report in this regard.

Management's Responsibility for the Standalone Financial Statements

The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Act with respect to the preparation of these standalone financial statements that give a true and fair view of the financial position, financial performance, total comprehensive income, changes in equity and cash flows of the Company in accordance with the applicable accounting standards and the other accounting principles generally accepted in India. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that are operating effectively for insuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the standalone financial statements that give a true and fair view and are free from material misstatements, whether due to fraud or error.

In preparing the standalone financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The Board of Directors is also responsible for overseeing the Company's financial reporting process.

Auditor's Responsibilities for the Audit of the Standalone Financial Statements

Our objectives are to obtain a reasonable assurance about whether the standalone financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue our report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise due to fraud or error and are considered material if, individually or in aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these standalone financial statements.

As part of an audit in accordance with the SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- (i) Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and

appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations or the override of internal control.

- (ii) Obtain an understanding of the internal controls relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the company has adequate internal financial controls system in place and the operating effectiveness of such controls.
- (iii) Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- (iv) Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- (v) Evaluate the overall presentation, structure and content of the standalone financial statements, including the disclosures, and whether the standalone financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal controls that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, relevant safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the standalone financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, or when in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Report on Other Legal and Regulatory Requirements

1. As required by the Companies (Auditor's Report) Order, 2020 ('the Order'), as amended, issued by the Central Government of India in terms of sub-section (11) of section 143 of the Act, we give in the **Annexure A**, a statement on the matters specified in paragraphs 3 and 4 of the order, to the extent applicable.

ANNEXURE -B TO THE AUDITOR'S REPORT

The Annexure referred to in Paragraph 2(f) under the heading of “Report on other Legal and Regulatory Requirements” of our report of even date to the members of **Aryaman Financial Services Limited** for the year ended on 31st March 2026.

Report on the Internal Financial Controls under Clause (i) of Sub- section (3) of Section 143 of the Companies Act, 2013

In conjunction with our audit of the standalone financial statements of the Company as at and for the year ended 31st March 2026., we have audited the internal financial controls with reference to standalone financial statements of **Aryaman Financial Services Limited** (hereinafter referred to as “Company”) along with its subsidiaries, as of that date.

Opinion

In our opinion, the company, have, in all material aspects, an adequate internal financial controls system with reference to standalone financial statements and such internal financial controls over financial reporting were operating effectively as at 31st March 2026., based on “the internal financial controls with reference to standalone financial statements criteria considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India”.

Management's Responsibility for the Internal Financial Controls

The respective management of the company, are responsible for establishing and maintaining internal financial controls based on the internal control with reference to standalone financial statements criteria established by the Company considering the essential components of internal controls stated in the Guidance Note on Audit of Internal Financial Control over Financial Reporting issued by the Institute of Chartered Accountants of India (“the Guidance Note”). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of fraud and errors, the accuracy and completeness of accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditor's Responsibility

Our responsibility is to express an opinion on the internal financial controls with reference to standalone financial statements based on our audit. We conducted our audit in accordance with the Guidance Note and the Standards on Auditing, prescribed under Section 143(10) of the Companies Act, 2013 to the extent applicable to an audit of internal financial controls, with reference to the standalone financial statements. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls with reference to standalone financial statements was established and maintained and if such controls operated effectively in all material aspects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial control system with reference to standalone financial statements and their operating effectiveness. Our audit of internal financial controls with reference to standalone financial statements included obtaining an understanding of internal financial controls with reference to standalone financial statements, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidences we have obtained for the company to which we are independent auditors is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system with reference to standalone financial statements.

Meaning of Internal Financial Controls with reference to standalone financial statements

A Company's internal financial control with reference to standalone financial statements is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A Company's internal financial control with reference to standalone financial statements includes those policies and procedures that: -

- (1) Pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the Company;
- (2) Provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and the receipt and expenditures of the Company are being only in accordance with authorizations of management and directors of the Company; and
- (3) Provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use or disposition of the Company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls with reference to standalone financial statements

Because of the inherent limitations of internal financial controls with reference to standalone financial statements, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and could not be detected. Also, projections of any evaluation of the internal financial control with reference to standalone financial statements to future periods are subject to the risk that the internal financial controls over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

NOTES TO STANDALONE FINANCIAL STATEMENT FOR THE YEAR ENDED 31ST MARCH, 2026**Note 1.****A. CORPORATE INFORMATION:**

Aryaman Financial Services Limited is a public limited company domiciled in India with its registered office located at 102, Ganga Chambers, 6A/1, W.E.A., Karol Bagh, New Delhi-110005. The Company is listed on BSE Limited (BSE). The Company is engaged in the business of Merchant Banking & allied activities. It is category I merchant banker registered with SEBI & incorporated on 11th May, 1994.

B. BASIS OF PREPARATION OF FINANCIAL STATEMENTS:

These financial statements have been prepared in accordance with the Indian Accounting Standards (hereinafter referred to as the 'Ind AS') as notified by Ministry of Corporate Affairs pursuant to Section 133 of the Companies Act, 2013 ('the Act') read with the Companies (Indian Accounting standards) Rules as amended from time to time and other related provisions of the Act.

The financial statements of the Company are prepared on the accrual basis of accounting and Historical cost convention except for the following material items that have been measured at fair value as required by the relevant Ind AS:

- (i) Certain financial assets and liabilities are measured at Fair value
- (ii) Defined benefit employee plan
- (iii) Derivative Financial instruments

The financial statements are presented in INR, the functional currency of the Company. Rounding of amounts All amounts disclosed in the financial statements and notes have been rounded off to the nearest lakhs as per the requirement of Schedule III, unless otherwise stated.

(I) Use of estimates & judgements

The preparation of the financial statements requires the Management to make, judgments, estimates and assumptions that affect the reported amounts of assets and liabilities, disclosure of contingent liabilities as at the date of the financial statements and the reported amounts of revenue and expenses during the reporting period. The recognition, measurement, classification or disclosure of an item or information in the financial statements is made relying on these estimates. The estimates and judgements used in the preparation of the financial statements are continuously evaluated by the management and are based on historical experience and various other assumptions and factors (including expectations of future events) that the management believes to be reasonable under the existing circumstances. Actual results may differ from those estimates. Any revision to accounting estimates is recognised prospectively in current and future periods.

- Critical accounting judgements and key source of estimation uncertainty

The Company is required to make judgements, estimates and assumptions about the carrying amount of assets and liabilities that are not readily apparent from other sources. The estimates and associated assumptions are based on historical experience and other factors that are considered to be relevant. The estimates and underlying assumptions are reviewed on an on-going basis including but not limited to the following: -

- (a) Recognition and measurement of defined benefit obligations, key actuarial assumptions
- (b) Estimation of current tax expenses and payable.

C. MATERIAL ACCOUNTING POLICIES:

This note provides a list of material accounting policies adopted in the preparation of these standalone financial statements. These policies have been consistently applied to all the years presented, unless otherwise stated.

a. Property, plant and equipment (PPE)

Property, plant and equipment is stated at acquisition cost net of accumulated depreciation and accumulated impairment losses, if any.

NOTES TO STANDALONE FINANCIAL STATEMENT FOR THE YEAR ENDED 31ST MARCH, 2026

The cost of an item of property, land and equipment comprises its purchase price, including import duties and non-refundable purchase taxes, after deducting trade discounts and rebates, any directly attributable costs of bringing the asset to its working condition for its intended use and estimated costs of dismantling and removing the item and restoring the item and restoring the site on which it is located.

If significant parts of an item of property, plant and equipment have different useful lives, then they are accounted for as separate items (major components) of property, plant and equipment. Subsequent expenditure Subsequent costs are included in the assets carrying amount or recognized as a separate asset, as appropriate only if it is probable that the future economic benefits associated with the item will flow to the Company and that the cost of the item can be reliably measured.

Gains and losses on disposals are determined by comparing proceeds with carrying amount. These are included in the Statement of Profit and Loss.

Property, plant and equipment which are not ready for intended use as on the date of Balance Sheet are disclosed as “Capital working-progress”.

b. Intangible assets

Intangible assets are carried at cost less any accumulated amortization and accumulated impairment losses, if any.

c. Depreciation and Amortization:**(a) Property plant and equipment (PPE)**

Depreciation is provided on a pro-rata basis on the straight-line method based on estimated useful life prescribed under Schedule II to the Companies Act, 2013.

The residual values, useful lives and method of depreciation of property, plant and equipment is reviewed at each financial year end and adjusted prospectively, if appropriate.

Estimated useful life is as below:

Computer - 3 Years
Furniture and fixtures - 10 years
Office equipment's - 5 years
Motor Vehicles - 8 years

(b) Intangible assets

The useful lives of intangible assets are assessed as either finite or indefinite. Finite-life intangible assets are amortised on a straight-line basis over the period of their expected useful lives. Intangible assets are measured at cost as at the date of acquisition, as applicable, less accumulated amortization and accumulated impairment, if any.

The amortization period and the amortization method for finite life intangible assets is reviewed at each financial year end and adjusted prospectively, if appropriate. For indefinite life intangible assets, the assessment of indefinite life is reviewed annually to determine whether it continues, if not, it is impaired or changed prospectively basis revised estimates.

Useful life of the intangible asset is as follows: -

Software - 3 Years

d. Investment Properties:

Property that is held for long-term rental yields or for capital appreciation or both, and that is not occupied by the Company, is classified as investment property. Investment property is measured at its cost, including related transaction costs and where applicable borrowing costs less depreciation and impairment if any.

Depreciation on building is provided based on straight line method using the useful life as specified in schedule II of the Companies Act, 2013.

NOTES TO STANDALONE FINANCIAL STATEMENT FOR THE YEAR ENDED 31ST MARCH, 2026**e. Financial Instruments:**

The company has elected to measure investment in subsidiaries, joint ventures and associates at cost.

f. Financial assets - Initial recognition:

Financial assets are recognised when the Company becomes a party to the contractual provisions of the instruments. On initial recognition, a financial asset is recognised at fair value, in case of Financial assets which are recognised at fair value through profit and loss (FVTPL), its transaction cost are recognised in the statement of profit and loss. In other cases, the transaction cost are attributed to the acquisition value of the financial asset.

Subsequent measurement:

Financial assets are subsequently classified as measured at:

- amortised cost
- fair value through profit & loss (FVTPL)
- fair value through other comprehensive income (FVTOCI)

The above classification is being determined considering the:

- (a) the entity's business model for managing the financial assets and
- (b) the contractual cash flow characteristics of the financial asset.

Financial assets are not reclassified subsequent to their recognition, except if and in the period the group changes its business model for managing financial assets.

(i) Measured at amortised cost:

Financial assets are subsequently measured at amortised cost, if these financial assets are held within a business module whose objective is to hold these assets in order to collect contractual cash flows and the contractual terms of the financial asset give rise on specified date to cash flows that are solely payments of principal and interest on the principal amount outstanding.

(ii) Measured at fair value through other comprehensive income (FVTOCI):

Financial assets are measured at FVTOCI, if these financial assets are held within a business model whose objective is achieved by both collecting contractual cash flows that give rise on specified dates to solely payments of principal and interest on the principal amount outstanding and by selling financial assets. Fair value movements are recognized in the other comprehensive income (OCI). Interest income measured using the EIR method and impairment losses, if any are recognised in the Statement of Profit and Loss. On derecognition, cumulative gain or loss previously recognised in OCI is reclassified from the equity to 'other income' in the Statement of Profit and Loss.

(iii) Measured at fair value through profit or loss (FVTPL):

Financial assets other than equity instrument are measured at FVTPL unless it is measured at amortised cost or at FVTOCI on initial recognition. Such financial assets are measured at fair value with all changes in fair value, including interest income and dividend income if any, recognised in the Statement of Profit and Loss.

g. Equity instruments:

On initial recognition, the Company can make an irrevocable election (on an instrument-by instrument basis) to present the subsequent changes in fair value in other comprehensive income pertaining to investments in equity instruments. This election is not permitted if the equity investment is held for trading. These elected investments are initially measured at fair value plus transaction costs. Subsequently, they are measured at fair value with gains and losses arising from changes in fair value recognised in other comprehensive income and accumulated in the 'Reserve for equity instruments through other comprehensive income'.

Dividends on these investments in equity instruments are recognised in Statement of Profit and Loss when the Company's right to receive the dividends is established, it is probable that the economic benefits associated with the dividend will flow to the entity, the dividend does not represent a recovery of part of cost of the investment and the amount of dividend can be measured reliably. Dividends recognised in Statement of Profit and Loss are included in the 'Other income' line item.

NOTES TO STANDALONE FINANCIAL STATEMENT FOR THE YEAR ENDED 31ST MARCH, 2026**h. Impairment**

The Company recognises a loss allowance for Expected Credit Losses (ECL) on financial assets that are measured at amortised cost and at FVOCI. The credit loss is difference between all contractual cash flows that are due to an entity in accordance with the contract and all the cash flows that the entity expects to receive (i.e. all cash shortfalls), discounted at the original effective interest rate. This is assessed on an individual or collective basis after considering all reasonable and supportable including that which is forward looking.

The Company's trade receivables or contract revenue receivables do not contain significant financing component and loss allowance on trade receivables is measured at an amount equal to life time expected losses i.e. expected cash shortfall, being simplified approach for recognition of impairment loss allowance.

Under simplified approach, the Company does not track changes in credit risk. Rather it recognizes impairment loss allowance based on the lifetime ECL at each reporting date right from its initial recognition. The Company uses a provision matrix to determine impairment loss allowance on the portfolio of trade receivables. The provision matrix is based on its historically observed default rates over the expected life of the trade receivable and is adjusted for forward looking estimates. At every reporting date, the historical observed default rates are updated and changes in the forward-looking estimates are analysed.

For financial assets other than trade receivables, the Company recognises 12-months expected credit losses for all originated or acquired financial assets if at the reporting date the credit risk of the financial asset has not increased significantly since its initial recognition. The expected credit losses are measured as lifetime expected credit losses if the credit risk on financial asset increases significantly since its initial recognition. If, in a subsequent period, credit quality of the instrument improves such that there is no longer significant increase in credit risks since initial recognition, then the Company reverts to recognizing impairment loss allowance based on 12 months ECL. The impairment losses and reversals are recognised in Statement of Profit and Loss. For equity instruments and financial assets measured at FVTPL, there is no requirement of impairment testing.

i. Derecognition

The Company derecognises a financial asset when the contractual rights to the cash flows from the financial asset expire, or it transfers rights to receive cash flows from an asset, it evaluates if and to what extent it has retained the risks and rewards of ownership. When it has neither transferred nor retained substantially all of the risks and rewards of the asset, nor transferred control of the asset, the Company continues to recognise the transferred asset to the extent of the Company's continuing involvement.

In that case, the Company also recognises an associated liability. The transferred asset and the associated liability are measured on a basis that reflects the rights and obligations that the Company has retained.

j. Financial Liabilities - Initial Recognition:

Financial liabilities are recognised when the Company becomes a party to the contractual provisions of the instruments. Financial liabilities are initially recognised at fair value net of transaction costs for all financial liabilities not carried at fair value through profit or loss.

The Company's financial liabilities includes trade and other payables, loans and borrowings including bank overdrafts.

Subsequent measurement

Financial liabilities measured at amortised cost are subsequently measured at using EIR method. Financial liabilities carried at fair value through profit or loss are measured at fair value with all changes in fair value recognised in the Statement of Profit and Loss.

Loans & Borrowings:

After initial recognition, interest bearing loans and borrowings are subsequently measured at amortised cost using EIR method. Gains and losses are recognized in profit & loss when the liabilities are derecognized as well as through EIR amortization process.

NOTES TO STANDALONE FINANCIAL STATEMENT FOR THE YEAR ENDED 31ST MARCH, 2026

Financial Guarantee Contracts

Financial guarantee contracts issued by the Company are those contracts that requires a payment to be made or to reimburse the holder for a loss it incurs because the specified debtors fails to make payment when due in accordance with the term of a debt instrument. Financial guarantee contracts are recognized initially as a liability at fair value, adjusted for transaction costs that are directly attributable to the issuance of the guarantee.

De-recognition

A financial liability is derecognised when the obligation under the liability is discharged or cancelled or expires. When an existing financial liability is replaced by another from the same lender on substantially different terms, or the terms of an existing liability are substantially modified, such an exchange or modification is treated as the derecognition of the original liability and the recognition of a new liability. The difference in the respective carrying amounts is recognized in the statement of profit or loss.

Derivative financial instruments

The Company uses derivative financial instruments, such as forward foreign exchange contracts, to hedge its foreign currency risks. Such derivative financial instruments are initially recognised at fair value on the date on which a derivative contract is entered into and are subsequently premeasured at fair value, with changes in fair value recognised in Statement of Profit and Loss.

Offsetting of financial instruments

Financial assets and financial liabilities are offset and the net amount is reported in the Balance Sheet if there is a currently enforceable legal right to offset the recognised amounts and there is an intention to settle on a net basis, to realise the assets and settle the liabilities simultaneously.

k. Fair Value Measurement

The Company measures financial instruments, such as, derivatives, investments at fair value at each balance sheet date. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The fair value measurement is based on the presumption that the transaction to sell the asset or transfer the liability takes place either:

- (a) In the principal market for the asset or liability, or
- (b) In the absence of a principal market, in the most advantageous market for the asset or liability

The principal or the most advantageous market must be accessible by the Company. The fair value of an asset or a liability is measured using the assumptions that market participants would use when pricing the asset or liability, assuming that market participants act in their economic best interest.

A fair value measurement of a non-financial asset takes into account a market participant's ability to generate economic benefits by using the asset in its highest and best use or by selling it to another market participant that would use the asset in its highest and best use. The Company uses valuation techniques that are appropriate in the circumstances and for which sufficient data are available to measure fair value, maximising the use of relevant observable inputs and minimising the use of unobservable inputs. All assets and liabilities for which fair value is measured or disclosed in the financial statements are categorised within the fair value hierarchy, described as follows, based on the lowest level input that is significant to the fair value measurement as a whole:

- i. Level 1 — Quoted (unadjusted) market prices in active markets for identical assets or liabilities
- ii. Level 2 — Valuation techniques for which the lowest level input that is significant to the fair value measurement is directly or indirectly observable
- iii. Level 3 — Valuation techniques for which the lowest level input that is significant to the fair value measurement is unobservable

For assets and liabilities that are recognised in the financial statements on a recurring basis, the Company determines whether transfers have occurred between levels in the hierarchy by re-assessing categorisation (based on the lowest level input that is significant to the fair value measurement as a whole) at the end of each reporting period.

NOTES TO STANDALONE FINANCIAL STATEMENT FOR THE YEAR ENDED 31ST MARCH, 2026

For the purpose of fair value disclosures, the Company has determined classes of assets and liabilities on the basis of the nature, characteristics and risks of the asset or liability and the level of the fair value hierarchy as explained above

l. Inventory/Securities for trade

Inventories are valued at the lower of cost and net realisable value. Cost is computed on a weighted average basis.

m. Cash and Cash Equivalents:

Cash and Cash equivalents include cash and Cheque in hand, bank balances, demand deposits with banks and other short-term highly liquid investments that are readily convertible to known amounts of cash & which are subject to an insignificant risk of changes in value where original maturity is three months or less.

n. Foreign Currency Transactions:**a) Initial Recognition**

Transactions in foreign currency are recorded at the exchange rate prevailing on the date of the transaction. Exchange differences arising on foreign exchange transactions settled during the year are recognized in the Statement of Profit and Loss of the year.

b) Measurement of Foreign Currency Items at the Balance Sheet Date

Foreign currency monetary items of the Company are restated at the closing exchange rates. Non monetary items are recorded at the exchange rate prevailing on the date of the transaction. Exchange differences arising out of these transactions are charged to the Statement of Profit and Loss.

o. Revenue Recognition:**Rendering of Services**

Income from services rendered is recognised based on agreements/ arrangements with the customers as the service is performed in proportion to the stage of completion of the transaction at the reporting date and the amount of revenue can be measured reliably

Revenue is measured at fair value of the consideration received or receivable, after deduction of any trade discounts, volume rebates and any taxes or duties collected on behalf of the government which are levied on sales such as sales tax, value added tax, etc.

Interest

Revenue is recognised on a time proportion basis taking into account the amount outstanding and the interest rate applicable and based on Effective interest rate method.

Dividend

Dividend Income is recognized when right to receive the same is established.

p. Employee Benefits:

The Company has provided following post-employment plans:

a) short term employee benefits such as salary, allowances, bonus, etc. payable for up to 12 months are recognised on accrual basis.

b) Defined-contribution plan:

Defined Contribution plan comprises of contributions to the employees' provident fund with the government, and Employees' Pension Scheme. The Company's payments to the defined contribution plans are recognised as expenses during the period in which the employees perform the services that the payment covers."

q. Taxes on Income:

Income tax comprises current and deferred tax. Income tax expense is recognized in the statement of profit and loss except to the extent it relates to items directly recognized in equity or in other comprehensive income.

NOTES TO STANDALONE FINANCIAL STATEMENT FOR THE YEAR ENDED 31ST MARCH, 2026

Current tax is based on taxable profit for the year. Taxable profit is different from accounting profit due to temporary differences between accounting and tax treatments, and due to items that are never taxable or tax deductible. Tax provisions are included in current liabilities. Interest and penalties on tax liabilities are provided for in the tax charge. The Company offsets, the current tax assets and liabilities (on a year on year basis) where it has a legally enforceable right and where it intends to settle such assets and liabilities on a net basis or to realise the assets and liabilities on net basis.

Deferred income tax is recognized using the balance sheet approach. Deferred income tax assets and liabilities are recognized for deductible and taxable temporary differences arising between the tax base of assets and liabilities and their carrying amount in financial statements. Deferred income tax asset are recognized to the extent that it is probable that taxable profit will be available against which the deductible temporary differences, and the carry forward of unused tax credits and unused tax losses can be utilized. Deferred tax assets are not recognised where it is more likely than not that the assets will not be realised in the future.

The carrying amount of deferred income tax assets is reviewed at each reporting date and reduced to the extent that it is no longer probable that sufficient taxable profit will be available to allow all or part of the deferred income tax asset to be utilized. Deferred income tax assets and liabilities are measured at the tax rates that are expected to apply in the period when the asset is realized or the liability is settled, based on tax rates (and tax laws) that have been enacted or substantively enacted at the reporting date.

Deferred tax items are recognised in correlation to the underlying transaction either in OCI or directly in equity.

r. Borrowing Cost:

General and specific borrowing costs that are directly attributable to the acquisition, construction or production of qualifying assets are capitalized as a part of Cost of that assets, during the period till all the activities necessary to prepare the Qualifying assets for its intended use or sale are complete during the period of time that is required to complete and prepare the assets for its intended use or sale. Qualifying assets are assets that necessarily take a substantial period of time to get ready for their intended use or sale.

Other borrowing costs are recognized as an expense in the period in which they are incurred.

s. Earnings Per Share:

Basic earnings per shares are calculated by dividing the net profit or loss after tax for the period attributable to equity shareholders by the weighted average number of equity shares outstanding during the period. For the purpose of calculating diluted earnings per share, the net profit or loss for the period attributable to the equity shareholders and the weighted average number of shares outstanding during the period is adjusted for the effects of all dilutive potential equity shares.

t. Leases:**Where the Company is Lessee**

Leases, where the lessor effectively retains substantially all the risks and benefits of ownership of the leased item, are classified as operating leases. Operating lease payments are recognized as an expense in the Statement of Profit and Loss on accrual basis as per the terms of agreements entered with the counter parties.

Where the Company is Lessor

Leases in which the Company does not transfer substantially all the risks and benefits of ownership of the asset are classified as operating leases. Assets subject to operating leases are included in property, plant and equipment. The Company recognizes lease rentals from the property leased out, on accrual basis as per the terms of agreements entered with the counter parties. Costs, including depreciation, are recognized as an expense in the Statement of Profit and Loss.

NOTES TO STANDALONE FINANCIAL STATEMENT FOR THE YEAR ENDED 31ST MARCH, 2026**u. Provisions, Contingent Liabilities and Contingent Assets:**

A provision is recognised if, as a result of a past event, the group has a present legal or constructive obligation that can be estimated reliably, and it is probable that an outflow of economic benefits will be required to settle the obligation.

Provisions for onerous contracts are recognized when the expected benefits to be derived by the Company from a contract are lower than the unavoidable costs of meeting the future obligations under the contract.

A disclosure for contingent liabilities is made where there is a possible obligation or a present obligation that may probably not require an outflow of resources or an obligation for which the future outcome cannot be ascertained with reasonable certainty. When there is a possible or a present obligation where the likelihood of outflow of resources is remote, no provision or disclosure is made.

Contingent assets are neither recognized nor disclosed in financial statements.

29. Financial instruments

The fair values of the financial assets and liabilities are included at the amount at which the instrument could be exchanged in a current transaction between willing parties, other than in a forced or liquidation sale.

The following methods and assumptions were used to estimate the fair values:

1. Fair value of cash and short-term deposits, trade and other short-term receivables, trade payables, other current liabilities, short term loans from banks and other financial institutions approximate their carrying amounts largely due to short term maturities of these instruments.

2. Financial instruments with fixed and variable interest rates are evaluated by the Company based on parameters such as interest rates and individual credit worthiness of the counterparty. Based on this evaluation, allowances are taken to account for expected losses of these receivables. Accordingly, fair value of such instruments is not materially different from their carrying amounts.

The Company uses the following hierarchy for determining and disclosing the fair value of financial instruments by valuation technique:

Level 1: quoted (unadjusted) prices in active markets for identical assets or liabilities.

Level 2: other techniques for which all inputs which have a significant effect on the recorded fair value are observable, either directly or indirectly.

Level 3: techniques which use inputs that have a significant effect on the recorded fair value that are not based on observable market data.

The carrying amounts and fair values of financial instruments by category are as follows:

30. Financial risk factors

The Company's principal financial liabilities comprise loans and borrowings, advances and trade and other payables. The purpose of these financial liabilities is to finance the Company's operations and to provide to support its operations. The Company's principal financial assets include loans, trade and other receivables, and cash and cash equivalents that derive directly from its operations.

The Company's activities expose it to Liquidity Risk, Market Risk and Credit risk. The Board of Directors reviews and agrees policies for managing each of these risks, which are summarised as below.

(a) Liquidity risk

The risk that an entity will encounter difficulty in meeting obligations associated with financial liabilities that are settled by delivering cash or another financial asset. Liquidity risk management implies maintenance of sufficient cash including availability of funding through an adequate amount of committed credit facilities to meet the obligations as and when due.

The Company manages its liquidity risk by ensuring as far as possible that it will have sufficient liquidity to meet its short term and long-term liabilities as and when due. Anticipated future cash flows are expected to be sufficient to meet the liquidity requirements of the Company. The Company does not have any undrawn borrowing facilities with the Banks / Financial institutions.

(i) The following is the contractual maturities of the financial liabilities:

Trade payables	7.12	-	7.12	-
Other financial liabilities	165.33	-	165.33	-

(b) Market risk

Market risk is the risk that the fair value of future cash flows of a financial instrument will fluctuate because of changes in market prices. Market risk comprises three types of risk: interest rate risk, currency risk and other price risk, such as equity price risk and commodity risk. Financial instruments affected by market risk includes investment, deposits, foreign currency receivables and payables. The Company's treasury team manages the Market risk, which evaluates and exercises independent control over the entire process of market risk management.

NOTES TO STANDALONE FINANCIAL STATEMENT FOR THE YEAR ENDED 31ST MARCH, 2026**(i) Foreign currency risk**

Foreign currency risk can only arise on financial instruments that are denominated in a currency other than the functional currency in which they are measured. The Company's functional and presentation currency is INR. The Company does not have any foreign currency transactions and hence is not exposed to the Foreign Currency Risks.

(ii) Interest rate risk

Interest rate risk is the risk that the fair value of future cash flows of the financial instruments will fluctuate because of changes in market interest rates. The Company's does not have any long term borrowings. Hence, the Company is not exposed to the interest rate risk.

(c) Credit risk

Credit risk is the risk of financial loss to the Company if a customer or counter-party fails to meet its contractual obligations. The Company is exposed to credit risks from its operating activities, primarily trade receivables, cash and cash equivalents, deposits with banks and other financial instruments.

Credit risk is managed by the Company through credit approvals, establishing credit limits and continuously monitoring the credit worthiness of customers to which the Company grants credit terms in the normal course of business.

(d) Financial risk factors**Capital risk management****The Company's objectives when managing capital are to:**

- (i) safeguard their ability to continue as a going concern, so that they can continue to provide returns for shareholders and benefits for other stakeholders, and
- (ii) maintain an optimal capital structure to reduce the cost of capital

In order to maintain or adjust the capital structure, the Company may issue new shares, adjust the amount of dividends paid to shareholders etc. The Company's policy is to maintain a stable and strong capital structure with a focus on total equity so as to maintain investor, creditors and market confidence and to sustain future development and growth of its business. The Company will take appropriate steps in order to maintain, or if necessary, adjust, its capital structure.

INDEPENDENT AUDITOR'S REPORT (CONSOLIDATED)

To
The members of
ARYAMAN FINANCIAL SERVICES LIMITED

Report on the Audit of Consolidated Financial Statements

Opinion

We have audited the accompanying consolidated financial statements of **ARYAMAN FINANCIAL SERVICES LIMITED** hereby referred to as the 'Holding Company') and its subsidiaries (Holding Company its subsidiaries together referred to as 'the Group'), which comprise the consolidated balance sheet as at 31st March 2026, the consolidated statement of profit and loss (including other comprehensive income), consolidated statements of changes in equity and the consolidated cash flows statement for the year then ended, and notes to the Consolidated Financial Statements, including a summary of significant accounting policies and other explanatory information (hereby referred as 'the consolidated financial statement').

In our opinion and to the best of our information and explanations given to us, the aforesaid consolidated financial statements give the information required by the Companies Act, 2013 ("the Act") in the manner so required and give a true and fair view in conformity with accounting principles generally accepted in India of the consolidated state of affairs of the Company as at 31st March 2026, and the consolidated net profit (including other comprehensive income), consolidated changes in equity and its consolidated cash flows for the year ended on that date.

Basis for Opinion

We conducted our audit in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Act. Our responsibilities under those standards are further described in the 'Auditor's Responsibilities for the Audit of the Consolidated Financial Statements' section of our report. We are independent of the Group in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India (ICAI) together with ethical requirements that are relevant to our audit of the Consolidated Financial Statements under the provisions of the Act and the rules thereunder, and we have fulfilled our ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidences we have obtained are sufficient and appropriate to provide a basis for our opinion.

Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the consolidated financial statements of the current period. These matters were addressed in the context of our audit of the consolidated financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters. We have determined the matters described hereunder to be key audit matters to be communicated in our report.

Key audit matters	Auditor's response
<u>Measurement of Revenue</u>	<u>Our audit procedure inter- alia included the following-</u>
As per Ind AS 115, measurement of revenue to be made on transaction price.	•We used assessment of overall control environment relevant for measurement of revenue. •We performed testing of journal entries, with particular focus on manual adjustment to revenue account, to mitigate the risk of manipulation of revenue and profit figures.

Management's Responsibility for the Consolidated Financial Statements

The Holding Company's Board of Directors is responsible for the preparation and presentation of these consolidated financial statements in term of the requirements of the Companies Act, 2013 that true and fair value of the consolidated financial position, consolidated financial performance, consolidated total comprehensive income, consolidated changes in equity and consolidated cash flows of the Group including the Indian Accounting Standards specified in the section 133 of the Act, the respective Board of Directors of the companies included in the Group are responsible for maintenance of

adequate accounting records in accordance with the provisions of the Act for safeguarding of assets of the Group and for preventing and detecting frauds and other irregularities; selection and application and prudent; and the design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring accuracy and completeness of the accounting records, relevant to the preparation and presentation of the consolidated financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error, which have been used for the purpose of preparation of the consolidated financial statements by the Directors of the Holding Company, as aforesaid.

In preparing the consolidated financial statement, the respective Board of Directors of the companies including in the Group are responsible for assessing the ability of the Group to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Group or to cease operation, or has no realistic alternative but to do so.

The respective Board of Directors the companies included in the Group are responsible for overseeing the financial reporting process of the Group.

Auditor's Responsibilities for the Audit of the Consolidated Financial Statements

Our objectives are to obtain a reasonable assurance about whether the consolidated financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue our report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise due to fraud or error and are considered material if, individually or in aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these consolidated financial statements.

As part of an audit in accordance with the SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- i. Identify and assess the risks of material misstatement of the consolidated financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations or the override of internal control.
- ii. Obtain an understanding of the internal controls relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the company has adequate internal financial controls system in place and the operating effectiveness of such controls.
- iii. Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- iv. Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the ability of the Group to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the consolidated financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained upto the date of our auditor's report. However, future events or conditions may cause the Group to cease to continue as a going concern.
- v. Evaluate the overall presentation, structure and content of the consolidated financial statements, including the disclosures, and whether the consolidated financial statements represent the underlying transactions and events in a manner that achieves fair presentation.
- vi. Obtain sufficient and appropriate audit regarding the financial information of the entities or business activities within the group to express an opinion on the consolidated financial statements. We are responsible for the direction, supervision and performance of the audit of the financial statement of such entities included in the consolidated

financial statements of which we are independent auditors. For other entities included in the consolidated financial statements, which have been audited by other auditors such other auditors remain responsible for direction supervision and performance of the audits carried out by them. We remain solely responsible for our audit opinion.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal controls that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonable be thought to bear on our independence, and where applicable, relevant safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the consolidated financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, or when in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonable be expected to outweigh the public interest benefits of such communication.

Report on Other Legal and Regulatory Requirements

ANNEXURE-B TO THE INDEPENDENT AUDITOR'S REPORT (CONSOLIDATED)

The Annexure referred to in Paragraph 2(f) under the heading of “Report on other Legal and Regulatory Requirements” of our report of even date to the members of **ARYAMAN FINANCIAL SERVICES LIMITED** for the year ended on 31st March 2026.

Report on the Internal Financial Controls under Clause (i) of Sub- section (3) of Section 143 of the Companies Act, 2013

In conjunction with our audit of the consolidated financial statements of the Company as at and for the year ended 31st March 2026, we have audited the internal financial controls with reference to consolidated financial statements of **ARYAMAN FINANCIAL SERVICES LIMITED** (hereinafter referred to as “Holding Company”) along with its subsidiaries, as of that date.

Opinion

In our opinion, the holding company and its subsidiaries, have, in all material aspects, an adequate internal financial controls system with reference to consolidated financial statements and such internal financial controls over financial reporting were operating effectively as at 31st March 2026, based on “the internal financial controls with reference to consolidated financial statements criteria considering the essential components of internal control stated in the Guidance Note.

Management's Responsibility for the Internal Financial Controls

The respective management of the holding company and its subsidiaries, are responsible for establishing and maintaining internal financial controls based on the internal control with reference to consolidated financial statements criteria established by the Company considering the essential components of internal controls stated in the Guidance Note on Audit of Internal Financial Control over Financial Reporting issued by the Institute of Chartered Accountants of India (“the Guidance Note”). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of fraud and errors, the accuracy and completeness of accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditor's Responsibility

Our responsibility is to express an opinion on the internal financial controls with reference to consolidated financial statements based on our audit. We conducted our audit in accordance with the Guidance Note and the Standards on Auditing, prescribed under Section 143(10) of the Companies Act, 2013 to the extent applicable to an audit of internal financial controls, with reference to the consolidated financial statements. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls with reference to consolidated financial statements was established and maintained and if such controls operated effectively in all material aspects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial control system with reference to consolidated financial statements and their operating effectiveness. Our audit of internal financial controls with reference to consolidated financial statements included obtaining an understanding of internal financial controls with reference to consolidated financial statements, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidences we have obtained for the holding company and its subsidiaries to which we are independent auditors is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system with reference to consolidated financial statements.

Meaning of Internal Financial Controls with reference to consolidated financial statements

A Company's internal financial control with reference to consolidated financial statements is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A Company's internal financial control with reference to consolidated financial statements includes those policies and procedures that: -

- (1) Pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the Company;
- (2) Provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and the receipt and expenditures of the Company are being only in accordance with authorizations of management and directors of the Company; and
- (3) Provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use or disposition of the Company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls with reference to consolidated financial statements

Because of the inherent limitations of internal financial controls with reference to consolidated financial statements, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and could not be detected. Also, projections of any evaluation of the internal financial control with reference to consolidated financial statements to future periods are subject to the risk that the internal financial controls over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

NOTES TO CONSOLIDATED FINANCIAL STATEMENT FOR THE YEAR ENDED 31ST MARCH, 2026**Note 1.****A. CORPORATE INFORMATION:**

The consolidated financial statements comprise financial statements of Aryaman Financial Services limited (Parent Company) and its three subsidiaries (hereinafter to be referred as the Group) for the year ended March 31, 2026.

Aryaman Financial Services Limited is a public limited company domiciled in India with its registered office located at 102, Ganga Chambers, 6A/1, W.E.A., Karol Bagh, New Delhi-110005. The Company is listed on BSE Limited (BSE). The Company is engaged in the business of Merchant Banking (Strategic & Non-Strategic). It is category I merchant banker registered with SEBI & incorporated on 11th May, 1994.

B. BASIS OF PREPARATION OF CONSOLIDATED FINANCIAL STATEMENTS:

These Consolidated financial statements have been prepared in accordance with the Indian Accounting Standards (hereinafter referred to as the 'Ind AS') as notified by Ministry of Corporate Affairs pursuant to Section 133 of the Companies Act, 2013 ('the Act') read with the Companies (Indian Accounting standards) Rules as amended from time to time and other related provisions of the Act.

The financial statements of the Group are prepared on the accrual basis of accounting and Historical cost convention except for the following material items that have been measured at fair value as required by the relevant Ind AS:

- (i) Certain financial assets and liabilities are measured at Fair value.
- (ii) Defined benefit employee plan
- (iii) Derivative Financial instruments

The accounting policies are applied consistently to all the periods presented in the financial statements. All assets and liabilities have been classified as current or noncurrent as per the Group's normal operating cycle and other criteria set out in the Schedule III to the Companies Act, 2013.

The Consolidated financial statements are presented in INR, the functional currency of the Company. Rounding of amounts All amounts disclosed in the financial statements and notes have been rounded off to the nearest lakhs as per the requirement of Schedule III, unless otherwise stated.

Basis of Consolidation

The consolidated financial statements comprise the financial statements of the Parent Group and its subsidiaries as at March 31, 2026.

Subsidiaries

Subsidiaries are all entities over which the Group has control. Control is achieved when the Group is exposed, or has rights, to variable returns from its involvement with the investee and has the ability to affect those returns through its power over the investee.

Specifically, the Group controls an investee if and only if the Group has

- (a) Power over the investee (i.e. existing rights that give it the current ability to direct the relevant activities of the investee).
- (b) Exposure, or rights, to variable returns from its involvement with the investee
- (c) The ability to use its power over the investee to affect its returns

Consolidation of a subsidiary begins when the group obtains control over the subsidiary and ceases when the Group losses control of the subsidiary.

Consolidation Procedure**Subsidiaries**

(a) Combine, on line-by-line basis like items of assets, liabilities, equity, income, expenses and cash flows of the Parent with those of its subsidiaries. For this purpose, income and expenses of the subsidiary are based on the amounts of the assets and liabilities recognised in the consolidated financial statements at the acquisition date.

NOTES TO CONSOLIDATED FINANCIAL STATEMENT FOR THE YEAR ENDED 31ST MARCH, 2026

(b) Offset (eliminate) the carrying amount of the Parent's investment in each subsidiary and the Parent's portion of equity of each subsidiary. Business combinations policy explains how to account for any related goodwill.

(c) Eliminate in full intra-group assets and liabilities, equity, income, expenses and Cash flows relating to transactions between entities of the group (profits or losses resulting from intra-group transactions that are recognised in assets, such as inventory and property, plant and equipment (PPE), are eliminated in full). Intra-group losses may indicate an impairment that requires recognition in the consolidated financial statements. Ind AS 12 Income Taxes applies to temporary differences that arise from the elimination of profits and losses resulting from intra-group transactions.

Profit or loss and each component of other comprehensive income are attributed to the owners of the Parent Group and to the noncontrolling interests. Total comprehensive income of subsidiaries is attributed to the owners of the Parent Group and to the non-controlling interests even if this results in the non-controlling interests having a deficit balance.

Consolidated Financial Statements are prepared using uniform accounting policies for like transactions and other events in similar circumstances. If a member of the Group uses accounting policies other than those adopted in the consolidated financial statements for like transactions and events in similar circumstances, appropriate adjustments are made to that Group member's financial statements in preparing the consolidated financial statements to ensure conformity with the Group's accounting policies

Changes in the Group's ownership interest in existing subsidiaries:

Changes in the Group's ownership interests in subsidiaries that do not result in the Group losing control over the subsidiaries are accounted for as equity transactions. The carrying amounts of the Group's interests and the non-controlling interests are adjusted to reflect the changes in their relative interests in the subsidiaries. Any difference between the amount by which the non-controlling interests are adjusted and the fair value of the consideration paid or received is recognised directly in equity and attributed to owners of the group.

When the Group loses control of a subsidiary, a gain or loss is recognised in consolidated statement of profit and loss and is calculated as the difference between (i) the aggregate of the fair value of the consideration received and the fair value of any retained interest and (ii) the previous carrying amount of the assets (including goodwill), and liabilities of the subsidiary and any noncontrolling interests.

(i). Use of Estimates and judgments:

The preparation of the financial statements requires the Management to make, judgments, estimates and assumptions that affect the reported amounts of assets and liabilities, disclosure of contingent liabilities as at the date of the financial statements and the reported amounts of revenue and expenses during the reporting period. The recognition, measurement, classification or disclosure of an item or information in the financial statements is made relying on these estimates. The estimates and judgements used in the preparation of the financial statements are continuously evaluated by the management and are based on historical experience and various other assumptions and factors (including expectations of future events) that the management believes to be reasonable under the existing circumstances. Actual results may differ from those estimates. Any revision to accounting estimates is recognised prospectively in current and future periods.

Critical accounting judgements and key source of estimation uncertainty

The Group is required to make judgements, estimates and assumptions about the carrying amount of assets and liabilities that are not readily apparent from other sources. The estimates and associated assumptions are based on historical experience and other factors that are considered to be relevant. The estimates and underlying assumptions are reviewed on an on-going basis.

(a) Estimation of current tax expenses and payable

C. MATERIAL ACCOUNTING POLICIES:

This note provides a list of material accounting policies adopted in the preparation of these financial statements. These policies have been consistently applied to all the years presented, unless otherwise stated.

NOTES TO CONSOLIDATED FINANCIAL STATEMENT FOR THE YEAR ENDED 31ST MARCH, 2026**1. Property, plant and equipment (PPE)**

Property, plant and equipment is stated at acquisition cost net of accumulated depreciation and accumulated impairment losses, if any.

The cost of an item of property, plant and equipment comprises its purchase price, including import duties and non-refundable purchase taxes, after deducting trade discounts and rebates, any directly attributable costs of bringing the asset to its working condition for its intended use and estimated costs of dismantling and removing the item and restoring the item and restoring the site on which it is located.

Gains and losses on disposals are determined by comparing proceeds with carrying amount. These are included in the Statement of Profit and Loss.

Property, plant and equipment which are not ready for intended use as on the date of Balance Sheet are disclosed as “Capital working-progress”.

2. Intangible assets

Intangible assets are carried at cost less any accumulated amortisation and accumulated impairment losses, if any.

3. Depreciation and Amortization:**(a) Property plant and equipment (PPE)**

Depreciation is provided on a pro-rata basis on the straight line method based on estimated useful life prescribed under Schedule II to the Companies Act, 2013. Freehold Land is not being depreciated.

The residual values, useful lives and method of depreciation of property, plant and equipment is reviewed at each financial year end and adjusted prospectively, if appropriate.

Estimated useful life is as below:

Computer - 3 Years

Furniture and fixtures - 10 years

Office equipment's - 5 years

Motor Vehicles - 8 years

(b) Intangible assets

The useful lives of intangible assets are assessed as either finite or indefinite. Finite-life intangible assets are amortised on a straight-line basis over the period of their expected useful lives.

The amortisation period and the amortisation method for finite life intangible assets is reviewed at each financial year end and adjusted prospectively, if appropriate. For indefinite life intangible assets, the assessment of indefinite life is reviewed annually to determine whether it continues, if not, it is impaired or changed prospectively basis revised estimates.

Estimated useful life is as below:

Software - 3 Years

4. Investment Properties:

Property that is held for long-term rental yields or for capital appreciation or both, and that is not occupied by the Group, is classified as investment property. Investment property is measured at its cost, including related transaction costs and where applicable borrowing costs less depreciation and impairment if any. Depreciation on building is provided based on straight line method using the useful life as specified in schedule II of the Companies Act, 2013.

5. Financial Instruments:**Financial assets - Initial recognition:**

Financial assets are recognised when the Group becomes a party to the contractual provisions of the instruments. On initial recognition, a financial asset is recognised at fair value, in case of financial assets which are recognised at fair value through profit and loss (FVTPL), its transaction cost is recognised in the statement of profit and loss. In other cases, the transaction cost is attributed to the acquisition value of the financial asset.

NOTES TO CONSOLIDATED FINANCIAL STATEMENT FOR THE YEAR ENDED 31ST MARCH, 2026**Subsequent measurement:**

Financial assets are subsequently classified as measured at:

- amortised cost
- fair value through profit & loss (FVTPL)
- fair value through other comprehensive income (FVTOCI)

The above classification is being determined considering the:

- (a) the entity's business model for managing the financial assets and
- (b) the contractual cash flow characteristics of the financial asset.

(i) Measured at amortised cost:

Financial assets are subsequently measured at amortised cost, if these financial assets are held within a business module whose objective is to hold these assets in order to collect contractual cash flows and the contractual terms of the financial asset give rise on specified date to cash flows that are solely payments of principal and interest on the principal amount outstanding.

(ii) Measured at fair value through other comprehensive income (FVTOCI):

Financial assets are measured at FVTOCI, if these financial assets are held within a business model whose objective is achieved by both collecting contractual cash flows that give rise on specified dates to solely payments of principal and interest on the principal amount outstanding and by selling financial assets. Fair value movements are recognized in the other comprehensive income (OCI). Interest income measured using the EIR method and impairment losses, if any are recognised in the Statement of Profit and Loss.

(iii) Measured at fair value through profit or loss (FVTPL):

Financial assets other than equity instrument are measured at FVTPL unless it is measured at amortised cost or at FVTOCI on initial recognition. Such financial assets are measured at fair value with all changes in fair value, including interest income and dividend income if any, recognised in the Statement of Profit and Loss.

Equity instruments:

On initial recognition, the Group can make an irrevocable election (on an instrument-by instrument basis) to present the subsequent changes in fair value in other comprehensive income pertaining to investments in equity instruments. This election is not permitted if the equity investment is held for trading. These elected investments are initially measured at fair value plus transaction costs. Subsequently, they are measured at fair value with gains and losses arising from changes in fair value recognised in other comprehensive income and accumulated in the 'Reserve for equity instruments through other comprehensive income'.

Equity instruments held for trading and equity instruments for which the Company has not elected to present subsequent changes in fair value in other comprehensive income are classified as at Fair Value Through Profit or Loss (FVTPL). These investments are initially measured at fair value. Transaction costs directly attributable to the acquisition of such investments are recognised in the Statement of Profit and Loss as incurred.

Subsequently, these investments are measured at fair value with gains and losses arising from changes in fair value recognised in the Statement of Profit and Loss. Gains and losses on disposal of such investments are also recognised in the Statement of Profit and Loss in the period in which they arise.

Dividends on these investments in equity instruments are recognised in Statement of Profit and Loss when the Group's right to receive the dividends is established, it is probable that the economic benefits associated with the dividend will flow to the entity, the dividend does not represent a recovery of part of cost of the investment and the amount of dividend can be measured reliably. Dividends recognised in Statement of Profit and Loss are included in the 'Other income' line item.

NOTES TO CONSOLIDATED FINANCIAL STATEMENT FOR THE YEAR ENDED 31ST MARCH, 2026**Impairment**

The Group recognises a loss allowance for Expected Credit Losses (ECL) on financial assets that are measured at amortised cost and at FVOCI. The credit loss is difference between all contractual cash flows that are due to an entity in accordance with the contract and all the cash flows that the entity expects to receive (i.e. all cash shortfalls), discounted at the original effective interest rate. This is assessed on an individual or collective basis after considering all reasonable and supportable including that which is forward looking.

The Group's trade receivables or contract revenue receivables do not contain significant financing component and loss allowance on trade receivables is measured at an amount equal to life time expected losses i.e. expected cash shortfall, being simplified approach for recognition of impairment loss allowance.

Under simplified approach, the Group does not track changes in credit risk. Rather it recognizes impairment loss allowance based on the lifetime ECL at each reporting date right from its initial recognition. The Group uses a provision matrix to determine impairment loss allowance on the portfolio of trade receivables. The provision matrix is based on its historically observed default rates over the expected life of the trade receivable and is adjusted for forward looking estimates. At every reporting date, the historical observed default rates are updated and changes in the forward-looking estimates are analysed. For financial assets other than trade receivables, the Group recognises 12-months expected credit losses for all originated or acquired financial assets if at the reporting date the credit risk of the financial asset has not increased significantly since its initial recognition. The expected credit losses are measured as lifetime expected credit losses if the credit risk on financial asset increases significantly since its initial recognition. If, in a subsequent period, credit quality of the instrument improves such that there is no longer significant increase in credit risks since initial recognition, then the Group reverts to recognizing impairment loss allowance based

on 12 months ECL. The impairment losses and reversals are recognised in Statement of Profit and Loss. For equity instruments and financial assets measured at FVTPL, there is no requirement of impairment testing."

Derecognition

The Group derecognises a financial asset when the contractual rights to the cash flows from the financial asset expire, or it transfers rights to receive cash flows from an asset, it evaluates if and to what extent it has retained the risks and rewards of ownership. When it has neither transferred nor retained substantially all of the risks and rewards of the asset, nor transferred control of the asset, the Group continues to recognise the transferred asset to the extent of the Group's continuing involvement.

In that case, the Group also recognises an associated liability. The transferred asset and the associated liability are measured on a basis that reflects the rights and obligations that the Group has retained.

Financial Liabilities**Initial Recognition and measurement**

Financial liabilities are recognised when the Group becomes a party to the contractual provisions of the instruments. Financial liabilities are initially recognised at fair value net of transaction costs for all financial liabilities not carried at fair value through profit or loss.

The Group's financial liabilities includes trade and other payables, loans and borrowings including bank overdrafts.

Subsequent measurement

Financial liabilities measured at amortised cost are subsequently measured at using EIR method. Financial liabilities carried at fair value through profit or loss are measured at fair value with all changes in fair value recognised in the Statement of Profit and Loss.

Loans & Borrowings:

After initial recognition, interest bearing loans and borrowings are subsequently measured at amortised cost using EIR method. Gains and losses are recognized in profit & loss when the liabilities are derecognized as well as through EIR amortization process.

NOTES TO CONSOLIDATED FINANCIAL STATEMENT FOR THE YEAR ENDED 31ST MARCH, 2026**Financial Guarantee Contracts**

Financial guarantee contracts issued by the Group are those contracts that requires a payment to be made or to reimburse the holder for a loss it incurs because the specified debtors fails to make payment when due in accordance with the term of a debt instrument. Financial guarantee contracts are recognized initially as a liability at fair value, adjusted for transaction costs that are directly attributable to the issuance of the guarantee. "

De-recognition

A financial liability is derecognised when the obligation under the liability is discharged or cancelled or expires. When an existing financial liability is replaced by another from the same lender on substantially different terms, or the terms of an existing liability are substantially modified, such an exchange or modification is treated as the derecognition of the original liability and the recognition of a new liability. The difference in the respective carrying amounts is recognized in the statement of profit or loss.

Derivative financial instruments

The Group uses derivative financial instruments, such as forward foreign exchange contracts, to hedge its foreign currency risks. Such derivative financial instruments are initially recognised at fair value on the date on which a derivative contract is entered into and are subsequently remeasured at fair value, with changes in fair value recognised in Statement of Profit and Loss.

Offsetting of financial instruments

Financial assets and financial liabilities are offset and the net amount is reported in the Balance Sheet if there is a currently enforceable legal right to offset the recognised amounts and there is an intention to settle on a net basis, to realise the assets and settle the liabilities simultaneously.

6. Fair Value Measurement

The Group measures financial instruments, such as, derivatives, investments at fair value at each balance sheet date. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The fair value measurement is based on the presumption that the transaction to sell the asset or transfer the liability takes place either:

- (a) In the principal market for the asset or liability, or
- (b) In the absence of a principal market, in the most advantageous market for the asset or liability

All assets and liabilities for which fair value is measured or disclosed in the financial statements are categorised within the fair value hierarchy, described as follows, based on the lowest level input that is significant to the fair value measurement as a whole:

- (i) Level 1 — Quoted (unadjusted) market prices in active markets for identical assets or liabilities
- (ii) Level 2 — Valuation techniques for which the lowest level input that is significant to the fair value measurement is directly or indirectly observable
- (iii) Level 3 — Valuation techniques for which the lowest level input that is significant to the fair value measurement is unobservable

For assets and liabilities that are recognised in the financial statements on a recurring basis, the Group determines whether transfers have occurred between levels in the hierarchy by re-assessing categorisation (based on the lowest level input that is significant to the fair value measurement as a whole) at the end of each reporting period.

For the purpose of fair value disclosures, the Group has determined classes of assets and liabilities on the basis of the nature, characteristics and risks of the asset or liability and the level of the fair value hierarchy as explained above

7. Inventories/Securities for trade

Inventories are valued at the lower of cost and net realisable value. Cost is computed on a weighted average basis.

NOTES TO CONSOLIDATED FINANCIAL STATEMENT FOR THE YEAR ENDED 31ST MARCH, 2026**8. Cash and Cash Equivalents:**

Cash and Cash equivalents include cash and Cheque in hand, bank balances, demand deposits with banks and other short-term highly liquid investments that are readily convertible to known amounts of cash & which are subject to an insignificant risk of changes in value where original maturity is three months or less.

The Company also classifies fixed deposits with banks as 'Cash and Cash Equivalents,' regardless of their stated maturity, provided they are repayable on demand. These deposits allow for premature withdrawal without incurring penalties that would materially impact the principal value of the investment. Such deposits are held by the Company as part of its cash management strategy to satisfy short-term liquidity requirements, rather than for long-term investment purposes.

9. Foreign Currency Transactions:**a) Initial Recognition**

Transactions in foreign currency are recorded at the exchange rate prevailing on the date of the transaction. Exchange differences arising on foreign exchange transactions settled during the year are recognized in the Statement of Profit and Loss of the year.

b) Measurement of Foreign Currency Items at the Balance Sheet Date

Foreign currency monetary items of the Group are restated at the closing exchange rates. Non monetary items are recorded at the exchange rate prevailing on the date of the transaction. Exchange differences arising out of these transactions are charged to the Statement of Profit and Loss."

10. Revenue Recognition:**Rendering of Services**

Income from services rendered is recognised based on agreements/ arrangements with the customers as the service is performed in proportion to the stage of completion of the transaction at the reporting date and the amount of revenue can be measured reliably.

Revenue is measured at fair value of the consideration received or receivable, after deduction of any discounts and any taxes or duties collected on behalf of the government which are levied on sales such as sales tax, value added tax, GST etc.

Interest

Revenue is recognised on a time proportion basis taking into account the amount outstanding and the interest rate applicable and based on Effective interest rate method.

Dividend

Dividend Income is recognized when right to receive the same is established and the same is shown as Investment and dividend income.

11. Employee Benefits:

Employee Benefits: - The Group does not falls with in the applicability of Employee Benefit plans.

12. Taxes on Income:

Income tax comprises current and deferred tax. Income tax expense is recognized in the statement of profit and loss except to the extent it relates to items directly recognized in equity or in other comprehensive income.

Current tax is based on taxable profit for the year. Taxable profit is different from accounting profit due to temporary differences between accounting and tax treatments, and due to items that are never taxable or tax deductible. Tax provisions are included in current liabilities. Interest and penalties on tax liabilities are provided for in the tax charge. The Group offsets, the current tax assets and liabilities (on a year on year basis) where it has a legally enforceable right and where it intends to settle such assets and liabilities on a net basis or to realise the assets and liabilities on net basis.

NOTES TO CONSOLIDATED FINANCIAL STATEMENT FOR THE YEAR ENDED 31ST MARCH, 2026

Deferred income tax is recognized using the balance sheet approach. Deferred income tax assets and liabilities are recognized for deductible and taxable temporary differences arising between the tax base of assets and liabilities and their carrying amount in financial statements. Deferred income tax asset are recognized to the extent that it is probable that taxable profit will be available against which the deductible temporary differences, and the carry forward of unused tax credits and unused tax losses can be utilized. Deferred tax assets are not recognised where it is more likely than not that the assets will not be realised in the future.

The carrying amount of deferred income tax assets is reviewed at each reporting date and reduced to the extent that it is no longer probable that sufficient taxable profit will be available to allow all or part of the deferred income tax asset to be utilized. Deferred income tax assets and liabilities are measured at the tax rates that are expected to apply in the period when the asset is realized or the liability is settled, based on tax rates (and tax laws) that have been enacted or substantively enacted at the reporting date.

Deferred tax items are recognised in correlation to the underlying transaction either in OCI or directly in equity.

13. Borrowing Cost:

General and specific borrowing costs that are directly attributable to the acquisition, construction or production of qualifying assets are capitalized as a part of Cost of that assets, during the period till all the activities necessary to prepare the Qualifying assets for its intended use or sale are complete during the period of time that is required to complete and prepare the assets for its intended use or sale. Qualifying assets are assets that necessarily take a substantial period of time to get ready for their intended use or sale.

Other borrowing costs are recognized as an expense in the period in which they are incurred.

14. Earnings Per Share:

Basic earnings per shares are calculated by dividing the net profit or loss after tax for the period attributable to equity shareholders by the weighted average number of equity shares outstanding during the period. For the purpose of calculating diluted earnings per share, the net profit or loss for the period attributable to the equity shareholders and the weighted average number of shares outstanding during the period is adjusted for the effects of all dilutive potential equity shares.

15. Leases:**Where the Group is Lessee**

Leases, where the lessor effectively retains substantially all the risks and benefits of ownership of the leased item, are classified as operating leases. Operating lease payments are recognized as an expense in the Statement of Profit and Loss on accrual basis as per the terms of agreements entered with the counter parties.

Where the Group is Lessor

Leases in which the Group does not transfer substantially all the risks and benefits of ownership of the asset are classified as operating leases. Assets subject to operating leases are included in property, plant and equipment. The Group recognizes lease rentals from the property leased out, on accrual basis as per the terms of agreements entered with the counter parties. Costs, including depreciation, are recognized as an expense in the Statement of Profit and Loss.

16. Provisions, Contingent Liabilities and Contingent Assets:

A provision is recognised if, as a result of a past event, the group has a present legal or constructive obligation that can be estimated reliably, and it is probable that an outflow of economic benefits will be required to settle the obligation.

Provisions for onerous contracts are recognized when the expected benefits to be derived by the Group from a contract are lower than the unavoidable costs of meeting the future obligations under the contract.

A disclosure for contingent liabilities is made where there is a possible obligation or a present obligation that may probably not require an outflow of resources or an obligation for which the future outcome cannot be ascertained with reasonable certainty. When there is a possible or a present obligation where the likelihood of outflow of resources is remote, no provision or disclosure is made.

Contingent assets are neither recognized nor disclosed in financial statements.

29. Financial instruments

The fair values of the financial assets and liabilities are included at the amount at which the instrument could be exchanged in a current transaction between willing parties, other than in a forced or liquidation sale.

The following methods and assumptions were used to estimate the fair values:

1. Fair value of cash and short-term deposits, trade and other short-term receivables, trade payables, other current liabilities, short term loans from banks and other financial institutions approximate their carrying amounts largely due to short term maturities of these instruments.
2. Financial instruments with fixed and variable interest rates are evaluated by the Company based on parameters such as interest rates and individual credit worthiness of the counterparty. Based on this evaluation, allowances are taken to account for expected losses of these receivables. Accordingly, fair value of such instruments is not materially different from their carrying amounts.

The Group uses the following hierarchy for determining and disclosing the fair value of financial instruments by valuation technique:

- Level 1: quoted (unadjusted) prices in active markets for identical assets or liabilities.
- Level 2: other techniques for which all inputs which have a significant effect on the recorded fair value are observable, either directly or indirectly.
- Level 3: techniques which use inputs that have a significant effect on the recorded fair value that are not based on observable market data.

Fair value estimation

For financial instruments measured at fair value in the Balance Sheet, a three-level fair value hierarchy is used that reflects the significance of inputs used in the measurements. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and lowest priority to unobservable inputs (Level 3 measurements).

The categories used are as follows:

- Level 1: quoted prices for identical instruments
- Level 2: directly or indirectly observable market inputs, other than Level 1 inputs; and
- Level 3: inputs which are not based on observable market data.

For assets and liabilities which are carried at fair value, the classification of fair value calculations by category is summarised below:

NOTES TO CONSOLIDATED FINANCIAL STATEMENT FOR THE YEAR ENDED 31ST MARCH, 2026

32. Financial risk factors

The Group's principal financial liabilities comprise loans and borrowings, advances and trade and other payables. The purpose of these financial liabilities is to finance the Group's operations and to provide to support its operations. The Group's principal financial assets include loans, trade and other receivables, and cash and cash equivalents that derive directly from its operations.

The Group's activities expose it to Liquidity Risk, Market Risk and Credit risk. The Board of Directors reviews and agrees policies for managing each of these risks, which are summarised as below.

(a) Liquidity risk

The risk that an entity will encounter difficulty in meeting obligations associated with financial liabilities that are settled by delivering cash or another financial asset. Liquidity risk management implies maintenance sufficient cash including availability of funding through an adequate amount of committed credit facilities to meet the obligations as and when due.

The Group manages its liquidity risk by ensuring as far as possible that it will have sufficient liquidity to meet its short term and long-term liabilities as and when due. Anticipated future cash flows are expected to be sufficient to meet the liquidity requirements of the Group. The Group does not have any undrawn borrowing facilities with the Banks/Financial institutions.

(i) The following is the contractual maturities of the financial liabilities:

March 31, 2026

Other financial liabilities	177.92	-	177.92	-
Total	3,114.95	-	3,114.95	-

(b) Market risk

Market risk is the risk that the fair value of future cash flows of a financial instrument will fluctuate because of changes in market prices. Market risk comprises three types of risk: interest rate risk, currency risk and other price risk, such as equity price risk and commodity risk. Financial instruments affected by market risk includes investment, deposits, foreign currency receivables and payables. The Group's treasury team manages the Market risk, which evaluates and exercises independent control over the entire process of market risk management.

(i) Foreign currency risk

Foreign currency risk can only arise on financial instruments that are denominated in a currency other than the functional currency in which they are measured. The Group's functional and presentation currency is INR. The Group does not have any foreign currency transactions and hence is not exposed to the Foreign Currency Risks.

(ii) Interest rate risk

For floating rate asset and liabilities sensitivity analysis is prepared assuming the amount outstanding at the end of the reporting period was outstanding for the whole year.

Sensitivity

The following table demonstrate the sensitivity to a reasonably possible change in interest rate on that portion of loans and borrowings affected. With all other variable held constant, the Group's profit before tax is affected through the impact on floating rate financial asset and liabilities, as follows:
